Sgt. Cooper
Major Crime Section
Vancouver Police Department
Vancouver, BC

Dear Sgt. Cooper:

Thank you for taking my call yesterday and the offer to help with this information request. As discussed, please find attached a list with the names of forty-eight homicide victims believed to be of First Nations/ Aboriginal ancestry.

In your response, please provide the following information:

- number of deaths that were not investigated (and, if possible, why, e.g., lack of evidence, witnesses, etc.)
- number of unsolved deaths under active investigation
- number of cases considered "closed"
- whether any deaths ruled accidental

I understand this is not an ordinary request and that you are very busy individual, but any help you can provide would be greatly appreciated.

Sincerely,

Karen Isaac
