Claim No. 94585 EPM:gb

IN THE MATTER OF A CLAIM UNDER THE Criminal Injury Compensation Act OF BRITISH COLUMBIA.

| DATE: | TYPE OF DECISION: | AWARD: |
|---|---|---|
| July 7, 1994 | Decision | $3,000.00 |

J.M., presently age 23, alleges that on February 10, 1993, her boyfriend struck her with his fist at their home in Prince George, B.C. He was charged with assault causing bodily harm. On May 11, 1993, he was found guilty. He did not appear for sentencing and on June 16, 1993, a warrant was issued. There is sufficient evidence to conclude that J.M. was the victim of an assault on February 10, 1993.

In addition to the emotional trauma, J.M. sustained a fractured jaw. It was undisplaced and slightly comminuted. She required closed reduction surgery with wires and arch bars applied. We wrote to her surgeon who provided a report dated March 17, 1994. He indicated, in part, as follows:

> "This lady did not keep her follow-up appointment. She was provided with a letter, though, on February 19, 1993, indicating that she had a fractured jaw and was unable to work from the date of February 10, 1993. This letter indicated that she would require six to eight weeks off work from the date of injury. After this, she was lost to follow up for a considerable length of time. She subsequently appeared in my office on the 5th of May 1993 with her arch bars buried in her upper gums and she was booked for surgery the following day to have them removed. She did not show up for the surgery time. This operative time was completely wasted. The patient disappeared until March 17, 1994, at one year after the original surgery. She had taken off only the wires holding the upper and lower dental arches together. The heavy stainless steel bars and inter-dental wiring were essentially all intact. Her occlusion was fine. She complained of no discomfort or difficulty eating. She is chewing well and has been re-booked for surgery to have these inter-dental wires and arch bars removed.
>
> There is no indication of any long-term disability in terms of the fracture. Her occlusion is fine. The main concern now is the condition of the gingiva, or gums, at the base of the teeth and the teeth themselves. After this prolonged period of time with the wires and arch bars on, she may have significant dental caries as a problem. This is unavoidable since she has missed several appointments and follow up. It would be exceptional if she missed another OR date because of the discomfort which is normally associated with having these arch bars and wires around one's teeth. This lady is now over one year since she had these bars on which are normally supposed to be removed within six weeks. I have never seen a patient have arch bars on inside the mouth for even half as long as this lady.

037

[ Evenhanded - 01E-1388 20041201 : 08:44:38 : Box 183 : 0399912 : 2184 ]

> The operation to remove the arch bars is a very short Daycare surgery procedure which takes about fifteen minutes. She would not require more than one day off work to have the arch bars removed. There is very little pain associated with that. The original injury required her to be in hospital for just overnight. She suffered no complications from the original surgery. At this time, she is doing well.
>
> With this type of injury, normally people avoid heavy lifting or contact sports within the first six to eight weeks after the injury. Beyond that time, they may resume normal activities. Some of the problems occasionally found are sensitivity to cold or slight mal-occlusion. Infrequently, they require mild orthodontic work to fine tune the occlusion. As far as I know, she has had none of these problems.
>
> Clinically, this lady has healed with solid bony union and does not require any further treatment beyond removal of the arch bars. If there are any points needing clarification, please contact my office."

Taking into consideration the nature of the injuries and the pain, suffering and emotional trauma resulting therefrom, as well as the further surgery required to have the arch bars removed, a discretionary award of $3,000.00 is assessed. If J.M. has sustained dental damage as a result of leaving the arch bars on for too long, we cannot consider compensating her for dental repairs as it was as a result of her own failure to follow-up with medical treatment that she may have sustained dental problems.

In conclusion, J.M. is awarded the sum of $3,000.00 to recognize the trauma she sustained in an assault on February 10, 1993.

Dear Sir/Madam:

Re: Claimant: MURDOCH, Jacqueline Claim No. 94585

Thank you for your client's completed Application Form.

Please note that some time will be required to gather all the necessary information to assess this claim. We will be requesting reports from the RCMP or Municipal Police Office, hospitals and/or doctors, employers, etc. depending on the circumstances of the claim. If we require further information from you, we shall contact you either by telephone or in writing. Once all the information is received, the file will be referred to a solicitor for review and adjudication. The results of the solicitor's decision will be communicated to you in writing as soon as possible.

It should also be noted that the Board does not pay legal fees and costs in connection with Criminal Injury claims. Rather your account must be settled directly with your client.

You should note also that, because of Section 11 of the Criminal Injury Compensation Act, the Board is not able to honour assignments of compensation from a claimant to his or her solicitor. The Board will accept a "direction to pay" from the claimant requesting that his or her compensation be forwarded to his or her solicitor's address or that his or her compensation be forwarded to the solicitor "in trust" for the claimant. However, such "directions to pay" are not treated as irrevocable by the Board and may be withdrawn by the claimant at any time.

Medical/legal reports pertaining to claimants' injuries will be requested directly by the Board if necessary and are not required to be submitted by claimants and/or their solicitors at this time.

In the meantime would you please forward any original receipts your client has with respect to medical expenses incurred that are not covered by a medical plan.

Yours truly,

Dear Ms. Murdoch:

Re: Your Claim No. 94585

Jackie

On receipt of your application for benefits under the Act, we called the Prince George R.C.M.P. requesting the Police Case No. so that we can write them requesting a copy of their report with respect to the alleged criminal offence which is the subject matter of your claim for compensation benefits.

The said Police Department/R.C.M.P. Detachment advises that they have no record of this incident on file. We would suggest that you contact their office and provide them with some additional information that would assist them to locate their report if, in fact, they do have one.

Please advise us in writing when you have contacted their office.

Yours truly,

W. A.

PRIVATE & CONFIDENTIAL

Dear Ms. Murdock:

RE: Your Claim No. 94585 Monday or Tues.

A lawyer has made a decision on your claim under the Act and a copy of that decision is enclosed. The decision refers to you by your initials, in order to protect your privacy. The decision summarizes the factors that were taken into account in assessing your award of compensation.

If there is information which you feel was not considered in the decision, you may request a review of your claim. That request should be made in writing. You should enclose any additional information you wish to submit or identify the information already provided to this office that you would like to have reconsidered. After the review is completed, a supplementary decision will be made and forwarded to you.

In addition to requesting a written review, or as an alternative, you may request an oral enquiry. The oral enquiry is an informal meeting with the solicitor, at which time you may if you wish submit further information. A decision following the oral enquiry will be made and forwarded to you.

As an alternative, and in addition to the informal review processes outlined above, you have the right to request a review of your claim on appeal by an appeal committee. Should you decide to make such a request, you should do so within 90 days of the date noted on the enclosed decision. Your request should be in writing and should include the reasons why the decision is unreasonable or unfair. Upon receipt of your request, the claim file will be forwarded to the appeal committee. You will be contacted directly by the appeal committee regarding the appeal.

This right to a review by an appeal committee also applies to a supplementary decision made following written submissions or an oral enquiry. Your request should then be made within 90 days of the date of the decision forwarded to you.

Disclosure of your claim file in accordance with Board policy is available to you.

Re:

**Comments:**

On 99-12-01 Det/Csts WOLTERS and FELL met with the sister of Jacqueline MURDOCK. The sister is CI-PERS of PID [redacted]

She said her sister was going with a guy named POI4929, 30-35yrs, 5'7"-5'8", med build, always walking, just got out of jail. Subsequently, we phoned the brother, CI-PERS and he stated that POI4929 lived at PID [redacted]

Subsequently, we checked on CPIC and found a POI4929 DOB PID of PID - PID [redacted] He listed on CPIC & CNI as Violence, Robbery, Off-Weapon, B&E, Theft, Drugs, Fraud, Oth Cr Code, FTA

While this person has an extensive [redacted] record there are no Sex entries. He appears to be a drug addict that pays for his drugs thru property crime.

No further investigation is contemplated on this individual at this time.

Cst. Judy Thomas - Prince George RCMP - trying to locate POI4929 to interview him based on new info she's received. She will advise Shenher - keep this tip open!!

CI-PERS CAME TO PIC TO SPEAK TO SHENHER ABOUT A MATTER UNRELATED TO MURDOCK.

SHE IS PLANNING A MOVE TO PRINCE GEORGE FOR HEALTH REASONS AND IS HAVING SOME PROBLEMS WITH HER TWO DAUGHTERS SELLING DRUGS FOR AN EL SALVADORAN MAN NAMED CI-PERS, PID YEARS, LNU. SHE LEFT PHOTOS OF THE GIRLS FOR ID PURPOSES WHICH SHENHER HAD SCANNED AND SENT BACK TO PIERRE.

CI-PERS LIVES AT PID HIS PHONE NUMBER IS PID ), CELL IS PID .

THE GIRLS ARE JUVENILES AND CI-PERS WAS HOPING THEY WOULD BE ARRESTED SELLING IN FRONT OF THE CARNEGIE CENTRE AND AS A CONDITION OF THEIR PROBATION, THEY WOULD BE REQUIRED TO MOVE WITH HER TO PRINCE GEORGE. THEY CURRENTLY LIVE AT HOME WITH CI-PERS AND SLEEP THERE, BUT HAVE SAID IF SHE MOVES, THEY WON'T GO WITH HER.

SHE FEELS THEY AREN'T LOST YET AND WOULD LIKE SOME HELP FROM US AND CAME TO SHENHER BECAUSE SHE WAS NOT GETTING ANYWHERE WITH THE TIPS LINE.

SHENHER ADVISED SHE WOULD DO WHAT SHE COULD AND SPOKE TO DAVE DICKSON ABOUT THE GIRLS. HE HAS TAKEN THEIR PHOTOS AND WILL BRING THEM UP AT THE "KID-SPECIFIC" MEETING HE IS ATTENDING TONIGHT. HE WILL ALSO PUT THE WORD OUT TO THE BEAT TEAMS AND YOUTH/KIDDIE UNITS TO LOOK FOR THE GIRLS AND TRY TO TARGET THEM TO GET THEM OFF THE STREET AND AWAY FROM MIKE. ## Operational Support Division
Major Crime Section

**Date:** January 21, 2000

**To:** Sergeant Geramy Field

**From:** Detective Constable Lori Shenher
Missing Persons - Major Crime Section

**Subject:** Ministry of Health and Witness Protection Searches

---

We have received the results of searches from the Ministry of Health and the RCMP Project Lion which deals with witness protection.

Bonnie Halas, A/Director of Policy, Planning and Standards Branch for the Ministry of Health, provided us with searches of in-patient, day surgery and hospital admissions billing for all BC hospitals. As you may recall, we have already searched MSP and found no hits since the time the women went missing.

None of our missing women have been patients in a day-surgery or in-patient capacity since the time they went missing. They were unable to find SIN or PHN numbers for Soet, T. Williams, Lane, O. Williams, Allenbach and Rail; MSP was unable to provide them to us as they did not have record of them.

Ms. Halas advised me it is not possible to search billing for contract physicians or emergency room visits. MSP records do not generally include emergency visits, only clinic treatment by physicians not on any type of contract. Specialist billing may not show on this system as it may be done by independent contract.

Ms. Halas was only able to search as far back as 1990 when the system became automated. She found no indication of any in-patient or day surgery visits for Jardine, deVries, Hall, Beck, Gonzales, and Wattley. The following shows the most recent year of such hospital visits by the remaining women:

| | |
|---|---|
| McDonnell,Gurney | 1998 |
| Creison, Young, Murdock, Frey, Henry, Hallmark | 1996 |
| Holyk | 1995 |
| Egan, Koski, | 1994 |

Borhaven, Spence 1992

Ms. Halas will not be providing us with anything in writing, nor can she provide us with any of the details of the visits as she is providing this information outside of her section's privacy policy.

Larry Campbell has advised me today he will be going directly through MSP and each Province's Vital Statistics department to obtain the records of treatment for these women. Once a hit is found, he will executing a Coroner's Order to Seize the appropriate records for us.

Sgt. Jim Webb of RCMP E Division Drug Intelligence and Field Operations viewed our list and advised me there was no one in Project Lion (federal witness protection) from that list.

I will advise you once I receive the results of Mr. Campbell's efforts.

15. Victim stated that she needed to get to a hospital
16. Victim has not been seen or heard from since that date

Victim is a known prostitute that worked in Prince George and Downtown eastside Vancouver. Victim is HIV positive, is an IV drug user, and a cocaine addict. Victim has 5 children; two live with victim's mother, and two live with victim's brother and the other child is with another relative. All children were left behind when the Victim left Prince George. The Victim had a boyfriend who was living in Surrey, BC. The victim also had a male friend who was Cree, living in Saskatchewan. This male is part of the Carrier Band in Saskatchewan. The Victim left Prince George in 1996 because her father told her to leave his home and blamed her for turning her brother on to drugs. In 1994, the Victim was seen by a surgeon with respect to a broken jaw that she sustained in an assault. Due to Victim not showing up for surgery when required, and pain and suffering from this broken jaw, Criminal Injury Compensation awarded her $3000.00 on July 7, 1994. The last time that the victim was heard from was in March 1997 when she telephoned her sister in law from Surrey stating that she needed to get to a hospital.

Dear Sandra Cameron:

Re: Cecilia May NIKAL (B: 71-01-19)
AKA Cecilia May WALTERS
Missing person, Smithers, B.C. 90-04-02

**********

Enclosed is a copy of our entire file concerning the a/n individual. NIKAL was supposedly initially reported missing to Vancouver PD, but as your CPIC indicated that was not the case. Investigation from this point, has not necessarily confirmed where she has actually gone missing from. Rummors are that she was in Fort St. John/Edmonton/Prince George, however, we have not been able to prove or disprove that she was ever in any of these locations. The last time that we have any actual proof of her location is from her mothers residence (CI-PERS [redacted] at CI-PERS [redacted].

A member spoke with CI-PERS [redacted] who stated that her last contact with Cecilia was in the middle of October 1989. Loretta indicated that Cecilia had been residing with her for approximately 1 1/2 months. Cecilia reportedly spent most of her time on the streets and one night she did not return home. Apparently all of her clothing, except maybe one or two changes of clothing are all remaining at the mothers residence.

Cecilia's father and numerous other relatives are still residing in the Smither's area and none have heard from Cecilia since 1989.

....2/

Canada

00 50 629

Discussion with Cecilia's friends resulted in the following rummours:

CI-PERS. Interviewed 90-04-05, related that she has not seen or spoke with Cecilia for approximately 9 months. The last that she heard, Cecilia was "hooking" down in Vancouver with [redacted] and [redacted]

[redacted] Interviewed 90-5-11, related that she has not seen Cecilia since last year. Heard that Cecilia is "shacked up" with some guy in Fort St. James. Apparently heard this a few months ago unknown by whom. CI-PERS would not confirm or deny the "hooking" allegations.

[redacted] (B: [redacted]; Not located as yet, there is currently a warrant from our point for [redacted]. She is reportedly still residing in the Vancouver area. Vancouver PD have a file whereby they are looking for [redacted] as a possible witness (Van. PD file 90-26965). It is very probable that [redacted] will have more definite information on the whereabouts/activities of Cecilia.

Checks with Canada Employment indicate that they have no record of Cecilia NIKAL (WALTERS) receiving any income assistance throughout the province of British Columbia.

P.I.R.S. check in all provinces failed to disclose any new lisings for NIKAL.

The family in Smithers have been directed to contact our office immediately should they receive any new information on Cecilia's whereabouts.

Sandra Cameron - 3 - 90-06-04

As it appears that the last place Cecilia was actually see is the Vancouver area, the entire file is being turned over to your point.

I would ask that you advise us when you have received this file so that we may remove Cecilia from CPIC (our point) as missing. Should you require any assistance at this point, do not hesitate to contact our office.

J: Constable N. JOYCE
D: CI-PERS

J: This is Constable JOYCE, file number 2001-2788, I'll be speaking with CI-PERS CI-PERS at Mission Institution, his date of birth is PID and, um, I'm in the interview in Mission Institution. And the present time is 9:29 on the 18th of January, 2002. Just saves me from doing a lot of writing. Um, I'm here, um, I'm making some inquiries about Georgina PAPIN.

D: Oh, yeah.

J: Okay. Um, and I just wanted to sort of pick your brain about what you know and what you might know and what you can tell me.

D: Okay, uh, I was called up here New Year's Day to speak with RCMP right and, uh, they said that they were, December 26 (inaudible) never spoke with me. So I waited 4 or 5 minutes and that time (inaudible) RCMP, RCMP, RCMP, I says I didn't go anywhere (inaudible) thinking that, uh, that's about the only possible thing I can think of is Georgina PAPIN.

J: Okay. You got called up here, like just the past December?

D: Uh, December 26th and January 1st.

J: You got called?

D: Yeah.

J: By?

D: (Inaudible) called me up here January 1st and said that RCMP were here December 26th, not were here were supposed to come talk to me December 26th, but said they'd be back January 1st.

J: Oh, okay, that was me.

D: Okay, January 1st and so I got IPSO and everybody to, uh, look into this and find out what's

going on, there's no calling card left so I figured (inaudible) just kinda wondering what's going on. That was the only thing I could think of because, uh, uh, actually, 'cause a friend of mine was George PAPIN.

J: Yeah.
D: He had told me somehow that (inaudible) found her body.

J: Okay.
D: And prior to that when (inaudible) spoke to her briefly as I was going to the sweat lodge here, he said that his sister Georgina was missing.

J: Where was that, what sweat lodge?
D: Um, in Matsqui.

J: In Matsqui?
D: (Inaudible) go over to the (inaudible) almost (inaudible) went to, uh, see the, to go to the sweat lodge and, uh, his brother had (inaudible). And, uh, he had mentioned that to me 'cause I know Georgina (inaudible).

J: So tell me, um, tell me when the last time was that you, you saw Georgina, do you remember?
D: Uh, I don't know the exact dates but if you check files and things (inaudible) I was in, uh, I was in, uh, Harbour Light, okay, let's try and figure this out, I got out, I got released from Matsqui in, I think it was, uh, December 29th...

J: Okay.
D: And then so, I went to a, (inaudible) house I got sent back for, uh, suspension a couple times and then one other and, and, I think on the second, third time I ended up at a place called Harbour Light.

J: And that's a half way house as well?
D: Yeah.

J: Okay.
D: It's on (inaudible) what's that street below Hastings?

[ Evenhanded - 01E-1388 20050308 : 11:27:27 : Box 05 : 0009905 : 92 ]

J: Um,
D: Cordova?

J: Yeah.
D: Yeah.

J: So you were in Harbour Light when you last saw her?
D: Yeah. What I did is, um, somebody had told me that, uh, her and her boyfriend had split up 'cause I knew the boyfriend (inaudible) name was CI-PERS or (inaudible) something that sounds the same as that.

J: POI4055 ?
D: POI4055 there's, there's another, there's POI4055 but there's, uh, another name that sounds like that, that sounds the same as that that I get mixed up with I can't think of it right now. But, uh, I think, uh, so I heard that they had split up (inaudible) the first time I, I really seen her was when she came in to Matsqui, she came into Matsqui with, uh, to visit her, her boyfriend who's (inaudible) and, uh...

J: This guy? POI4055 ?
D: Yeah, I think so, (inaudible). And, uh, so, uh, he was going out with her for a few years or whatever, right, and she had come in as a volunteer to one of our, uh, gatherings and she was, uh, (inaudible) and that's the first time I seen her in years. The last time I seen her it's about '80, '89, I think she was, she was (inaudible). And, uh, so hadn't seen her in a long time though, uh, 10 years I guess (inaudible). I didn't even recognize her at first (inaudible) and, uh, (inaudible), right. And then, so, uh, after that I ran into him someplace and I asked him, I says "how's things going?" and (inaudible) he said that, uh, they had split up (inaudible). So, uh, (inaudible) mentioned her name (inaudible) I says "well tell her I said hi". I, I said to (inaudible) "tell her I said hi" and then when I was in the halfway house the, uh, next day, uh, (inaudible) volunteer work (inaudible) and she's standing in line, she's, she's in line, she says (inaudible), I says (inaudible) and then so, uh, she said "well, uh, do you want to see me?", I said "sure" (inaudible) 7 o'clock. So 7 o'clock, uh, come along I got changed everything else and then she's waiting for me (inaudible). And so from that point on we kind of tripped around downtown, I wasn't drinking or doing anything (inaudible). She was walking around (inaudible) and I was paying for her drinks for her and played a couple games of pool (inaudible) halfway house and, um, she got a

little bit drunk, little bit high and she was introducing me to a lot of people. She'd say "this is my old man, this is my old man". So I turned around, um, I didn't (inaudible). So that night, um, around I guess quarter to 11 was, uh, I had to go back to the half way house. I went back to the half way house and then the next morning I got up around 7 o'clock, I left the half way house (inaudible), uh, she's waiting for me again, so we did another day of just (inaudible) around. And then, uh, the evening came along did the same thing, I went back to the half way house and I says "well, I got some things to do (inaudible) till later on", so she says "yeah, okay". And I guess, uh, I guess the next morning I go out she wasn't there and so I went out and I just, uh, (inaudible) day. And by the end of the day I hadn't seen her all day, so by the end of the day, um, I went out and I bought myself some drugs and I went back to the half way house and I did the drugs (inaudible). And the next morning (inaudible). So around 3 o'clock that afternoon (inaudible). And, uh, (inaudible).

J: Is that us? Her and you?
D: No, no, no, uh, me and the other guy (inaudible).

J: The other guy?
D: Yeah.

J: Who is that do you know?
D: Uh, CI-PERS

J: CI-PERS
D: Yeah.

J: Native guy?
D: No, he's, uh, he's, uh, blonde hair, blue eyes, he's (inaudible).

J: How old is he?
D: I'd say he's probably, uh, PID

J: So where did you guys party with Georgina that night?
D: Just in the bars.

[ Evenhanded - 01E-1388 20050308 : 11:27:32 : Box 05 : 0009907 : 92 ]

J: Do you remember which bars?
D: Um, just the West Motel, um, it's just a little, for, uh, you could call it a Native bar inside of it's (inaudible).

J: Do you remember where it is?
D: Yeah, it's um, okay, it goes Main, Hastings, just about half a block on the right hand side down.

J: Towards Vancouver?
D: Yeah, it's, um, on this, what the hell is the name of the bar, uh...

J: So tell me about your night there, uh, at the bar. Like you guys partied and you, what do you,
D: I wasn't, I wasn't...

J: Do you do coke, crack?
D: Uh, no at the time I was doing heroin, I would of, I would of done heroin, I would of done like a (inaudible).

J: So, so you guys were drinking an...
D: Yeah, like I was...

J: Heroin?
D: Like, I was, basically just walking around with her all day and she's introducing me to people and we (inaudible) stop here and stop there, she'd stop and talk to people on the street (inaudible) if I could give this person 10 bucks or something.

J: So the last day you saw her, um, you partied with her that night?
D: Yeah.

J: And where did you party with her at the bar?
D: Uh, yeah.

J: Where did you leave her, where did you last see her?
D: It was at the (inaudible) the half way house is just about half a block away, right, so I went

[ Evenhanded - 01E-1388 20050308 : 11:27:34 : Box 05 : 0009908 : 92 ]

out the back door (inaudible). So I'd say about 10 to 11 I didn't want to be late, uh, I went out the back and she gave me a kiss and said that (inaudible) told her I got things to do tomorrow so, you know, don't be waiting for me (inaudible) money. First of all she was, it was me supplying her with, uh, booze all day and the odd, uh, hit of drugs or whatever, it cost me about 100 bucks a day and I didn't have the (inaudible). So it was like, you know, costing me like 200 bucks for two days (inaudible). So well (inaudible) our relationship (inaudible) I'm not your boyfriend and, uh, (inaudible). So I said "tomorrow, I says, uh, don't be waiting for me", uh, (inaudible). She says "yeah, okay" she says "I'll see you later on in the day" and by that time, by 3 o'clock (inaudible).

J: In the morning?
D: 3 o'clock.

J: No, 3 p.m.
D: Yeah, 3 in the afternoon.

J: So you went back to Kent that day?
D: Uh, well the last, the last night I seen her...

J: Yeah.
D: I got up next morning and, uh, I was kinda under investigation for using drugs the night before, right, 'cause when I seen her last, uh, I don't remember (inaudible) seen her last got up the next morning and I turned around and she wasn't there, so I went out and did my business that I had to get done and then on that evening I said (inaudible) coke (inaudible). So I...

J: Party (inaudible) with her?
D: Yeah.

J: Okay.
D: So, I partied with her, I didn't party with her, I, uh, she, she, uh, she drank and did drugs with me for about a total of 2 full days. One was, uh, one was 7 o'clock until 11, then the next one was all, all, all day until 11 and then, uh, that's the last time I seen her. And I, and I went up I didn't see her around so I went out sometime during that day (inaudible) drugs. And I went back down that evening, turned around and I, uh, (inaudible) with this, this other

[ Evenhanded - 01E-1388 20050308 : 11:27:36 : Box 05 : 0009909 : 92 ]

guy (inaudible).

J: What was she wearing when you saw her last? Do you remember?
D: Last thing I seen her with, I think she was wearing almost like, uh, almost like a white dress, lacy thing (inaudible) think it was (inaudible).

J: Any coat or shoes or any, anything you can remember?
D: No, the only thing I can, uh, remember is the, the lacy dress. I think, uh, I got (inaudible). And she was, uh, quite stocky at the time so I figured, you know, she made herself look pretty good (inaudible).

J: How did she look to you?
D: Uh, she looked, uh, pretty healthy for hanging around downtown. Well I heard that, uh, she was telling me that she was, she was living in Mission, I think her kids are up in PID somewhere and, uh, and , uh, I asked her where she's staying, she said, she's gonna hitchhike back (inaudible). Uh...

J: What, what sort of drugs did she use that you knew of?
D: Uh, heroin and she, she smoked a little bit of crack.

J: Did she smoke heroin or ingest?
D: No, I think she was, uh, I think she was snorting it. I'm pretty sure there's, uh, I didn't see her with any rigs or anything like that, right. I didn't see her with any of those and, uh, she had asked me to buy her a couple lots of heroin, right, so I bought a couple (inaudible) somebody she introduced me to (inaudible). 'Cause every second person that we run into down there she pretty well knew, she introduce me "this is my old man" (inaudible).

J: So that...
D: I, I was quite amazed that, uh, she knew that many people because the only thing I know her from is growing up in Edmonton (inaudible) she moved and I heard that she, uh, she told me (inaudible). So I figure well that's 10 years ago (inaudible) how do you know all these people here in Vancouver, right, so I was kind of thinking (inaudible).

J: Are you from Edmonton?
D: Uh, I lived in Edmonton for 10 years.

[ Evenhanded - 01E-1388 20050308 : 11:27:38 : Box 05 : 0009910 : 92 ]

J: (Inaudible)?
D: Uh, (inaudible) '79 to '89 (inaudible).

J: Do you know, um, Georgina lived when she lived downtown?
D: Uh, no. I was, I was under the assumption that, uh, she was kind of coming in from Mission every once and a while to party.

J: Do you know what she did for work?
D: Uh, I don't know. I probably, probably think she was probably in, uh, prostitution around here.

J: Do you know that for sure?
D: Uh, not for sure, no, but, uh, the last time I seen her in Edmonton she was working the street, she was pregnant at the time so (inaudible) gained a lot of weight and, um, I think it was, yeah, it was the first night she turned around I said, I told her I said "you're, you're getting kind of expensive" and she says, uh, she says, "don't worry about it", she's like, (inaudible), right, and I says, "well, what are you doing?" she says (inaudible). I said "okay" (inaudible). Um, (inaudible).

J: And you're pretty sure that it was the last time you saw her that you were at Harbour Light?
D: Yeah, pretty sure.

J: Okay.
D: At that time I was, I was kind of, uh, had a little bit of a rocky relationship with my girlfriend and, uh, STW [redacted] she was working down around that area, uh, (inaudible).

J: Okay.
D: And, uh, she (inaudible) so me and her had a little bit of a tiff and, uh, so (inaudible) couple of days to myself and, uh, she was (inaudible) so, uh, those couple days I just kinda (inaudible).

J: Did you have a relationship with her?
D: With Georgina?

J: Yeah.

D: No. Well she thought I did but, uh, she (inaudible) and then by the end the two days was over I had to explain to her (inaudible).

J: Okay. Um, what, what do, what do you think that happened to her?
D: The only thing I could possibly think of is maybe, uh, she (inaudible) a trick or something (inaudible) maybe killed her or something like that.

J: Why do you think that?
D: Uh, well I'm, I'm not, uh, you know, I know a little bit about, uh, (inaudible), right, so (inaudible) kind of, uh, had experience being around these women, right, so, I know that sometime they get, uh, beat up or hurt (inaudible). It's a pretty dangerous job (inaudible). But, uh, there's some, uh, crazy people out there, my ex STW , she used to , my girlfriend she used to, she, she used to do a little bit of that too, eh, and she (inaudible) dangerous (inaudible). And, uh, PID STW349 uh, (inaudible) write her when she was (inaudible) and she'd gotten out of the house back in Ontario, she'd gotten out and she was in a half way house (inaudible) friend's place (inaudible) visit her. And within a couple of days after she was in the half way house, she took off from the half way house or something like that and then the next thing you know she got into a beef with somebody (inaudible) and she ended up stabbing a guy in the heart with a pair scissors and the guy, I guess the guy was saying that, uh, I guess witnesses was saying that the guy was yelling at her, giving her shit, had her in a choke hold by, by the neck against the wall saying that he wants his 80 dollars back. So I imagine that maybe she got (inaudible).

J: Is this STW PID ?
D: No this is, uh, PID .

J: Okay.
D: STW349 Uh, I guess she got (inaudible) with this guy about 80 dollars, you're gonna die over 80 dollars which she said I guess in court (inaudible) start beating her up (inaudible) rob her. So whatever happens is that if it's over 80 dollars I image it's the price, price (inaudible) trick I guess (inaudible). And, maybe, uh, she, he paid the 80 bucks and she didn't perform and decided to slip out and he caught her and, uh, a fight ensued and he end up getting stabbed. So, taking that as, like I'm assuming (inaudible) taking that, uh, from what I can take from it, a situation where in Georgina's case where she's quite transient (inaudible) come downtown to party and things like this, I image (inaudible) could

[ Evenhanded - 01E-1388 20050308 : 11:27:43 : Box 05 : 0009912 : 92 ]

be a situation such the same.

J: Did you ever, did you ever buy any services from Georgina?
D: No.

J: What did she say when you told her that you weren't her old man?
D: I she just kind of, uh, she (inaudible) she's just like (inaudible) 'cause I was pretty healthy in a half way house (inaudible) she was "this is my old man", you know, what ever business she has going on downtown there, she must have some type of connections going on down there because she, she knows everybody down there so pretty well. Maybe she, maybe she's using me for that too, eh? (Inaudible) arguments with somebody, she (inaudible) 'cause she did (inaudible) other girl was, uh, giving her a hard time so she got up (inaudible). So she was like their, like mother hen to a lot of the girls down there.

J: This was like during the time that you were hanging with her?
D: Yeah.

J: Those few days?
D: Yeah, yeah.

J: And who was the girl?
D: I don't know who it was.

J: What kind of argument were they having, do you know?
D: Uh, something about, uh, uh, getting ripped off for some drugs and stuff like this, right, she didn't pay so much for some drugs and she wasn't satisfied what she got (inaudible) whined to, uh, Georgina about it. 'Cause Georgina had asked me (inaudible), right. She said "don't worry about", she said, "I'll get it back to you", whatever, I said "well, yeah, okay". So I gave her, I think, 10 bucks or something like this right? And then she goes out and a little while later she comes back, she's crying she said this guy ripped her off, or somebody ripped her off or something like this, right. So, I didn't want to get involved in this so (inaudible) Georgina (inaudible) straighten it up. She asked for another 10 dollars (inaudible). So that's when I started saying "it's bad enough I pay for your drinks and your dope, now you got your friends involved". I'm, I'm not, you know, not a rich man here, so, that was about it.

[ Evenhanded - 01E-1388 20050308 : 11:27:45 : Box 05 : 0009913 : 92 ]

J: Do you, do you think Georgina's alive?
D: Do I think she is alive? I was hoping she's alive and, uh, (inaudible) George her brother in Matsqui told me that she was one of the missing, um, women from downtown and I (inaudible) back Alberta (inaudible) or I heard she has a couple of kids in PID, so I was thinking maybe the courts are trying to get a hold of her for custody or (inaudible).

J: Who was her boyfriend that's looking for her?
D: I don't know if this guy's name is POI4055 or we used to call him POI4055

J: POI4055?
D: Yeah (inaudible).

J: Is he still in jail?
D: Uh, no I don't think so. Last time I seen him, um, he was doing good for himself (inaudible).

J: Native guy?
D: Yeah. I seen him at Mission Pow Wow he was walking around with (inaudible) and he had a new girlfriend.

J: So that's who she was visiting in Matsqui?
D: Yeah.

J: How long ago?
D: Uh, I guess that's about '97.

J: When did you get out of Matsqui?
D: Um, I got out of Matsqui '99, 'cause I got shipped to Kent...

J: When?
D: In '98, January '98.

J: January '98 you went to Kent?
D: Yeah.

[ Evenhanded - 01E-1388 20050308 : 11:27:48 : Box 05 : 0009914 : 92 ]

J: And then when did you go to Matsqui?
D: Uh, December (inaudible).

J: December '98?
D: Yeah, 'cause, uh, no maybe it's December '99. I went to Kent, I went to Kent for about, I'd say, 4 or 5 months. I got out in, I think it was May, May '98.

J: May '98 you did what? You got out?
D: Yeah, I went to (inaudible).

J: Oh, okay that's when you went to (inaudible) house and then Harbour Light?
D: Yeah.

J: May '98.
D: Yeah.

J: And then, and then you got bumped back to Kent when?
D: Yeah, um, I think in November that year.

J: Of '98?
D: Yeah. And then I went back to Kent and then December '99 I got out of Matsqui, I got transferred to Kent, to a lower security, which was (inaudible). And, uh, for the last three weeks and then I got out, uh, December '99, which (inaudible).

J: From Matsqui and then you're on the street again?
D: Just before Christmas...

J: Okay.
D: December 20th, '99 I got out of Matsqui.

J: And you were back...
D: I came back, I think, January 1st or 2nd, (inaudible).

J: Was that from Harbour Light?
D: No, that was from, uh, (inaudible).

[ Evenhanded - 01E-1388 20050308 : 11:27:50 : Box 05 : 0009915 : 92 ]

J: So, so the time that you saw Georgina last...
D: Must of been, uh, year 2000 I think, no, I don't know, someplace in there. When I was at Harbour Light.

J: And you were only there once?
D: At Harbour Light?

J: Yeah.
D: Yeah. Yeah.

J: Okay.
D: I was, I think I was, I was, uh, suspended five times, back and forth five times. I been to Libby House twice and Circle Eagle, two or three times, Harbour once. Those are the main houses I went to is Libby House, Harbour Light and Circle Eagle.

J: Libby's on 12th?
D: Libby's on North Shore.

J: Oh, okay.
D: And, uh, that's the only, um, three houses I would of went to.

J: Okay.
D: And, uh, and, uh, I know for sure...

J: And those were parole? You were paroled at those?
D: I was stat release.

J: Stat, stat release?
D: Yeah.

J: Okay. Not, not (inaudible)?
D: Uh, no.

J: Not warned expiry?
D: No. It was, the last third of your sentence is usually (inaudible).

[ Evenhanded - 01E-1388 20050308 : 11:27:52 : Box 05 : 0009916 : 92 ]

J: Integrate, re-integration.
D: Yeah (inaudible) put you in a half way house (inaudible) in a half way house (inaudible) and, um, (inaudible).

J: When are you getting out this time?
D: Uh, I go up for parole next month.

J: Going to where?
D: Uh, Circle Eagle.

J: Yeah? Again?
D: Yeah. I don't want to go to Harbour Light (inaudible).

J: Circle Eagle is?
D: It's on Broadway and, uh, almost like (inaudible).

J: Okay. And you know CI-PERS [redacted]
D: CI-PERS [redacted] yes I do.

J: Where is he right now?
D: Uh, I thinks he's at Circle Eagle.

J: And you still keep in touch with him?
D: Uh, whenever I can, yeah. He's, he's a, a friend that kind of, uh, got, got to know, acquaintance I've gotten to know over the years (inaudible) kind of tripped around a little together for a couple weeks here and there in Edmonton, I was on the streets of Edmonton, he was on the streets of Edmonton. I got thrown in jail (inaudible) and, uh, while I was in pre-trial he'd come in (inaudible) his sister (inaudible) started writing her from there. And then, uh, his, uh, I , I just seen his sister (inaudible) while I was in the Remand Centre I talked to this other guy, this, this younger, younger, guy and, uh, he says (inaudible) girlfriend Georgina,

J: Mmhm.
D: (Inaudible) I guess he (inaudible) this charge of fraud together (inaudible). And so, uh, (inaudible) right. And so, when, when I got out on the street this other (inaudible) we

[ Evenhanded - 01E-1388 20050308 : 11:27:54 : Box 05 : 0009917 : 92 ]

didn't...

J: This other guy that you don't know?
D: Yeah, we kinda, we just kinda talked (inaudible) as I was going home one day I seen her working in a certain area of town.

J: Where?
D: Uh, it's in Edmonton (inaudible).

J: Oh.
D: (Inaudible).

J: She's working in Edmonton?
D: Yeah.

J: Now is that long before this? Before (inaudible)?
D: Uh, yeah,

J: Yeah.
D: 'Cause I was back here in, uh, '89 (inaudible).

J: Okay. Um, if you hear anything about, about her give me a call.
D: Actually I just seen her picture the other day on the (inaudible).

J: Oh, did you?
D: (Inaudible) last person shown (inaudible). 'Cause CI-PERS was saying that, in the, another thing was that my girlfriend STW [redacted] she was in (inaudible) and she had told me (inaudible). And she says "oh yeah" (inaudible) think, think (inaudible) been transferred here (inaudible) and says "oh yeah" so that it's gonna be 'cause of that.

J: Hmmm.
D: (Inaudible) or whatever right. So that was about the only thing I, I heard of that.

J: And, and is there (inaudible)?
D: Yeah. (Inaudible) yeah, PID [redacted] (inaudible). So that's who I, when I started

[ Evenhanded - 01E-1388 20050308 : 11:27:57 : Box 05 : 0009918 : 92 ]

thinking I said well, CI-PERS said that they had found her body, uh, (inaudible) and then, um, about a month later, a few weeks later I got a call to talk to the RCMP so it's pretty well, I gotta start putting these things together here.

J: Yeah.
D: But then, uh, so and in once sense (inaudible) I was wondering what happened (inaudible) I heard about all these women go missing, missing I never heard anything, right?

J: Yeah.
D: So what about it are they doing anything about it. I guess (inaudible) Georgina when she went missing, so I was kind of curious (inaudible) she one of the missing or did she (inaudible) whatever (inaudible).

J: Let me know if you hear anything.
D: Yeah.

J: Constable JOYCE.
D: JOYCE?

J: Yeah. Downtown.
D: Okay.

J: Okay?
D: Yeah.

J: Good. Thanks for talking to me.
D: That's about all I can offer.

J: Okay.
D: Okay.

J: Do you need to be let back in?
D: Uh, no...

J: Cst. N.E. JOYCE
N: CI-PERS

---

J: It's Constable JOYCE, it's January 2nd, 2002. I'll be interviewing CI-PERS at Matsqui Prison. His date of birth is PID and this is file number 2001-2788 and he was the girlfriend of Georgina PAPIN when she disappeared, and tape will be on pause. Um,

N: This is weird, I bet you any money this happens to be dealing with Georgina PAPIN, hey.

J: Yeah, it is.

N: I had a dream about her this morning.

J: No way?

N: Yeah, it, it was weird she'd come and visit me in my dreams. I was just, I was mentioning that to the elder, eh.

J: Oh, well can you tell me about it?

N: (coughs) Well actually she was coming to basically say good bye. She looked pretty bad when she come and saw me she looked pretty bad, she was all banged up. Her legs were banged up, her arms and she was putting on dye. And I said, "what are you doing?" She goes, "well look, look at the way I look," she says. I says, "well...I guess." She goes, "yeah, I come to say good bye to you." It's, it's really weird. I just happened to look down and see Georgina is.

J: And you know why that's strange is because I've been meaning to talk to you for the last 3 months?

N: Oh yeah.

J: And I haven't gotten around to it until today.

[ Evenhanded - 01E-1388 20050308 : 11:31:20 : Box 05 : 0009923 : 92 ]

N: That's, that's really weird.
J: And you had that dream.
N: Yeah.

J: Yeah. So did she say anything else in your dream?
N: Hm...actually no, she just basically came just to say good bye.

J: Mm.
N: It's weird but she was pretty banged up and ah.

J: Any place that she was?
N: That there no I, I had a hard, I was trying to figure out like where, where it was, right. I couldn't pinpoint that because I was trying to think about that where we were or were we just in somebody's house.

J: Not in a city of anything like that?
N: Mm, no actually.

J: So was this like, like do you, do you have sweats or are you involved in sweats?
N: Yeah, yeah.

J: So is that something that you get visions like that when you're in a sweat?
N: Well, actually my dreams have been coming up all distorted, like I've been having weird dreams so a buddy of mine gave me a dream catcher.

J: Okay.
N: And this is just like last week.

J: Okay.
N: That, to help make my dreams, right.

J: Mm.
N: And my dreams, the dreams that I have been having part is distorted.

[ Evenhanded - 01E-1388 20050308 : 11:31:24 : Box 05 : 0009924 : 92 ]

J: Mmhm.
N: And, I know last night there was some, was basically telling me, it's like somebody wanted to talk to me or somebody was thinking about me.

J: Mmhm.
N: And, the reason I say that is because normally I, I have no trouble going to sleep.

J: Mmhm.
N: But it seemed like I was falling asleep and waking up like every hour on the hour, right.

J: Mmhm.
N: And then this morning I set my alarm clock for 7 o'clock, like I didn't have to go to work 'till 9, right.

J: Mmhm.
N: So I figured uh woke up, set it for 8. And it was just before my alarm went off, that Georgina come basically had said good bye to me.

J: Mm.
N: And it's, it's really weird.

J: It's very strange.
N: Yeah.

J: The timing is very strange.
N: Yeah.

J: Yeah. And her knees were all banged up and?
N: Yeah she looked, well she was all screwed up but I thought maybe, maybe it was because she was you know, she was like I heard she was missing, right.

J: Mmhm.
N: I thought maybe if she fine (Inaudible) but I couldn't get the part of her saying good bye.

[ Evenhanded - 01E-1388 20050308 : 11:31:26 : Box 05 : 0009925 : 92 ]

J: Mmhm.
N: Why she wanted to say good bye to me.

J: Now.
N: Yeah.

J: Yeah. You know that she's been missing then?
N: Ah, actually yeah I've talked to her brother ah, CI-PERS there,

J: Okay.
N: about a month ago.

J: CI-PERS is the one that's in the Half-Way house now?
N: He was in Elbow Lake the last time I talked to him.

J: Right, and he got released, yeah, yeah. He's downtown, I think in Vancouver now.
N: Is he?

J: Yeah. He's at...
N: Circle of Eagles?

J: Yeah. In East Van, I think, yeah, so he's down there. So he contacted you?
N: Ah, yeah actually well he was I, I just got here about maybe 6 months ago.

J: Okay.
N: 5 or 6 months ago and I was phoning one of the Elders and he happened to hear my name so we were talking, and then he was asking me about if I had seen CI-PERS

J: Okay.
N: The last time I saw her seems to be about maybe a year ago now, maybe even longer.

J: Okay. So tell me when you saw her last then?
N: The last time I saw her would be was in the downtown area actually down the Balmoral.

[ Evenhanded - 01E-1388 20050308 : 11:31:51 : Box 05 : 0009926 : 92 ]

J: Okay.
N: She was with her cousin. I guess she said she was a cousin of hers. Kind of a big guy.

J: What's her cousin's name?
N: I didn't, she actually didn't say.

J: Do you remember what time of year it was?
N: (Inaudible) Think it was around maybe Christmas time. It was Christmas.

J: Last Christmas?
N: Yeah, I think. It was some kind of celebration anyways. I, I out there like days, days were just other days to me out there. And I'm pretty sure it was a holiday of some sort.

J: Mmm.
N: 'Cause I remember I was 'sittin in a bar and, no actually it was in the summer.

J: Of last year, of like 2000 or 99? Like.
N: Uh, 2000.

J: Just like--
N: Well, last--

J: --just before you got here?
N: Yeah, yeah. No, actually it would have been.

J: The summer before.
N: Yeah, the summer before.

J: Okay, so tell me about, tell me about the conversation you had with her.
N: In my dream or.

J: No, tell, tell me the conversation that you had with her, like the last time you saw her.

[ Evenhanded - 01E-1388 20050308 : 11:31:59 : Box 05 : 0009927 : 92 ]

N: Oh uh, basically it wasn't really a conversation. We sat down, I was with a friend of mine, my, well, actually my ex-mate now, and she told me normally she's already, all, always helping me out and uh, drug wise or drink wise.

J: Mmm.

N: I guess it was my turn 'cause they came in and she didn't have any money at the time so it was basically let them sit down just buy 'em drinks and. I lent her twenty dollars it was, I think it was after bar closed another twenty bucks and that was the last time I saw her.

J: Okay. Now you said she was with her cousin?

N: Yeah, she said he was her cousin.

J: (Inaudible)

N: Well she said that. And he's, he's one of the long downtown but I, I don't know him by name, right.

J: Does he have a nickname or a street name or anything?

N: Um, no.

J: Don't know?

N: No.

J: Now you were with who?

N: Uh, CI-PERS

J: CI-PERS

N: Yeah.

J: Okay, and she was your ex--

N: Yeah.

J: --girlfriend.

N: Well, she was my ex now.

J: Okay, where's CI-PERS live?
N: Mmm, last time I saw her I was visiting Vancouver. But apparently she was moving back to Chilliwack area.

J: Okay, and how, how old's CI-PERS? Do you remember when she was born?
N: She --

J: (laughs)
N: PID

J: Okay. Day and month? Just gonna see if I can try and locate her.
N: PID

J: Okay.
N: Yeah, PID

J: Okay, so she was with you when you saw her?
N: Yeah.

J: Okay, what was, what was Georgina wearing at the time?
N: Black dress. I think, it was black (Inaudible) over (Inaudible)

J: Okay. What, do you recall if it was a dress or?
N: Like a jumpsuit I guess, eh. A partial skirt and dress. Is that what they're called.

J: Yeah like a two piece thing?
N: Yeah.

J: It was a dress though?
N: Yeah.

[ Evenhanded - 01E-1388 20050308 : 11:32:03 : Box 05 : 0009929 : 92 ]

J: Okay. Remember what kind of shoes she was wearing or anything?
N: High-heeled shoes.

J: And how was her hair?
N: Curly, a bit wavy.

J: Long, short?
N: Uh, 'bout shoulder length.

J: Okay.
N: Maybe, maybe a little bit longer.

J: Mmhm. And you're pretty sure it was the summer huh?
N: Yeah.

J: Was anyone else there that you know or would have known her?
N: Just CI-PERS [redacted]

J: Okay. At that time how was she? What was her state of mind?
N: She was okay.

J: Yeah.
N: Yeah. Just out, she's out, out partying around.

J: Okay.
N: She didn't look distraught or anything.

J: Okay.
N: She looked alright.

J: Who was she hanging out with at the time.? Did, did you have that kind of conversation with her?
N: Uh, no. Apparent, well she basically said she was gonna loan me some money and uh, she saw me later she helped me out.

[ Evenhanded - 01E-1388 20050308 : 11:32:05 : Box 05 : 0009930 : 92 ]

J: That night she saw you later?
N: No. She said she, if she was gonna go work -- you know, she works, she works the streets, eh?

J: Yeah.
N: And she said she was going with him. Pull a couple of tricks she said "(Inaudible), she goes, "if I come back down this way if you're around," she goes, "I'll treat you." "Okay, no problem." But that was the last time I saw her.

J: Did she say where she was heading?
N: Well, normally she worked up uh,...I don't know the name of the street.

J: Any stores around there you remember?
N: Uh...no because at that time I was living on Pandora.

J: Mmhm.
N: And she just lived a couple streets over. She lives in apartments there. And she worked a couple streets from that area.

J: Mmhm.
N: And apparently that's where she said she was going and that was the last time.

J: So on Pandora and a couple streets up?
N: Yeah, no, a couple streets before. Okay, do you know where the Dairy Queen is?

J: Yeah.
N: Just on that street there.

J: Okay.
N: She lived there.

J: On the one that goes across--
N: Yeah.

[ Evenhanded - 01E-1388 20050308 : 11:32:08 : Box 05 : 0009931 : 92 ]

J: –Hastings?
N: Okay. Yeah, okay well the Dair, there's Dairy Queen here, and she -- think... one street down I guess. There's apartments here right by the park.

J: Okay.
N: And then there's a gas sta, actually there's a gas station there so one, two, I think it was either two streets or three streets before that Dairy Queen, and she used to work.

J: Did, did she talk to you at all about being in contact with her family?
N: No.

J: What (Inaudible)--
N: She was actually sta, I can't remember the guys name that she was staying with. But I know they had uh, some kind of falling out or he was going with some other girl or with some other girl in.

J: Do you remember where she was staying?
N: No. That was the only spot in Van I knew she stayed there.

J: Okay.
N: I remember actually her, her brother coming into town and asking about her. The night he asked, basically asked me was the last time I saw her too, right.

J: Who was that, George?
N: Yeah.

J: Okay.
N: And uh (inaudible) last time I saw her.

J: Okay. You're pretty sure it was in summer. It wasn't the Spring? Like was she wearing a jacket or anything?
N: No, she, black...I guess a shawl. But she had a, like a black outfit, some kind of a black outfit. I don't know if it was a jumpsuit or I can't really remember right. But I do remember she was wearing black.

[ Evenhanded - 01E-1388 20050308 : 11:32:10 : Box 05 : 0009932 : 92 ]

J: (Inaudible)
N: Not that I (Inaudible).

J: Okay. What, what was her drug of choice?
N: Oh, heroin.

J: Okay. And how, how did she use it?
N: She injected.

J: Okay.
N: Well, she smoked crack and (Inaudible).

J: Okay. What was her habit like?
N: Mmm, everyday I guess.

J: Just once a day?
N: Um... I couldn't really say.

J: Okay.
N: Everybody (Inaudible).

J: Did she, did she ever tell you about any bad dates or anything like that? Anyone she's concerned about when she's working.
N: Nnnn no, oh she basic, basically would just like make friends. Like she didn't really discuss anything. Like she knew what I, I, I knew what she did and that but, she knew I knew her brother. (Inaudible).

J: Okay. So you, you weren't ever in a relationship with her?
N: No.

J: Okay, okay. So you never lived together?
N: No, no.

J: Where did you meet her originally?
N: Uh, I think Mission actually.

[ Evenhanded - 01E-1388 20050308 : 11:32:12 : Box 05 : 0009933 : 92 ]

J: Okay.
N: Oh, actually she was living in Mission earlier before. I think this was around...when was the last time, the last time I got out would be around 96 I guess, 94, 94, 95 or 96.

J: Okay.
N: She was living in Mission. She was actually expecting she was.

J: Okay.
N: She was living with uh, POI4055 [redacted]

J: Okay.
N: Then and I guess they separated. The next time I ran into her was in Vancouver.

J: Okay. How, how do you know POI4055 [redacted]
N: I met him here.

J: In here?
N: Yeah.

J: Okay. Good friends like.
N: Mmm, acquaintances.

J: Okay.
N: Not really good friends though.

J: Did you ever talk about Georgina?
N: Nnn no.

J: 'Cause that would be sort of your common bond, right?
N: Well, in here I don't really get into that, like I like myself I don't (Inaudible) nothing so. I don't really like listen to guys discuss you know their relationships. It's not anything to do with me it's, why would he tell me I mean (laughs).

[ Evenhanded - 01E-1388 20050308 : 11:32:15 : Box 05 : 0009934 : 92 ]

J: Yeah. Did, did you ever hear anything that POI4055 said to anyone about his relationship with Georgina?

N: Nnnn, no.

J: Okay.

N: Well, I heard, well actually I think uh, I do remember her mentioning one time I guess punched the shit out of her or something like that (Inaudible) so...(Inaudible) either one of them never really...I don't like, I don't know how a relationship really are, you know what I mean?

J: Mmhm.

N: You know how people get in fights and it's like oh I don't want nothing to do with. And then the next time you see them they're together. And then you hear they had another fight and you know just (Inaudible).

J: Yeah.

N: Are you with him or you're not with him, or are you with her or you're not.

J: Yeah.

N: But (Inaudible) Mission is the last time I saw them, the two of them together and...then I actually saw him in Chilliwack. And he had uh, basically expressed that he was actually with somebody else. And he actually with his son....And then her was basically in the city. The odd time she'd come over to our place and we'd go over to her place and... that's basically that would the last time I saw her.

J: Where? Which one?

N: Was in, in the bar.

J: Okay.

N: That's basically where she said, she said she was going to. 'Cause I remember lending her twenty bucks, and she said if I see you later I'll pay it back but (Inaudible).

J: Yeah.

N: That was the last time I, I saw her.

[ Evenhanded - 01E-1388 20050308 : 11:32:17 : Box 05 : 0009935 : 92 ]

J: Where did you live when you were, when you last saw her?
N: On Pandora.

J: Do you remember the address?
N: Oh, the last time I saw her, no, actually I was living in, I was living in the Balmoral.

J: Okay.
N: Upstairs.

J: Really?
N: Um, I had two different rooms two different times so I can't remember if that was on the third floor I was staying or the seventh. Third floor.

J: Okay.
N: So (Inaudible).

J: Okay. Do you know her family at all?
N: Mmm, no just CI-PERS and I met him through here, in here too like.

J: Okay.
N: (Inaudible)

J: What do you think, what do you think happened to her?
N: I don't know to tell you the truth. But uh, in my dream she did look pretty banged up. But...I don't know maybe, I, I don't know like if she's dead or if she's alive. Basically was a, and I don't know why an individual would come and say good-bye to me. I mean we didn't, but I didn't really know her all that well, right.

J: Mmhm.
N: Just like friends kind of thing. But not a really close, close friendship either.

J: Mmhm.
N: Somebody else there but can't remember who it was. I was trying to pay more attention to her because (Inaudible) said like you know subconsciously if, if I was awake I would (deep breathe) it was just, it was weird.

[ Evenhanded - 01E-1388 20050308 : 11:32:19 : Box 05 : 0009936 : 92 ]

J: Mmhm. So in your dream, she comes and says good-bye. Was her face banged up?
N: No, her face wasn't, her body was banged like I didn't really notice...other than she looked I don't, like I can't even remember. Like if she was sitting here I, I couldn't basically say if I remember her having dark tone skin or light tone skin right like that's how, like I say we weren't that close.

J: Sure.
N: So uh, but in, in my dream she, she was whitish complexion. And I'm, that's what I was saying, she was putting on some kind of dye or something to, to tone her skin (Inaudible) skin tone.

J: (Inaudible) what colour. Like darker or?
N: Yeah darker but 'cause it but it looked purple. And I was thinking well why are you putting that on. It looks like you're all banged up. And she goes well look at me. That's when I noticed kind of noticed that her legs had, had been broke or and her arms had been broken. You could see the scars but it was like she had surgery on 'em.

J: Mmm.
N: So I was thinking when I woke up, oh maybe Georgina's, maybe they found her or whatever. But, but it was well why would she be coming to say good-bye to me.

J: Mmhm.
N: That part I couldn't understand, right. Other than that, that's basically about it.

J: What did the environment look like? You said it was an apartment or something. Can you describe that?
N: Uh, it, it would looked clean.

J: Mmhm. Can you think of an specific ornaments or anything, pictures on the wall?
N: Mmm, no. It's.

J: Flower, floral couch of striped couch.
N: No, I, I, actually can't really remember it. Like I was trying to...you know like especially when you haven't seen somebody or you know something's happened to the person. Like for me like to, to have her come and see, see me in my dream it was kind of weird.

[ Evenhanded - 01E-1388 20050308 : 11:33:02 : Box 05 : 0009937 : 92 ]

Because like I fell back asleep. It was only like maybe ten, fifteen minutes into my sleep then all of a sudden I had this dream right.

J: Mmm.

N: But I was trying to, like even when I went, I woke up all of a sudden I wanted to go back to sleep thinking that maybe I could go back into my dream right.

J: Mmhm.

N: 'Cause I was you know kinda worried about her actually because, well. But then I couldn't uh, basically I couldn't remember where I was or, or actually even if it was Georgina or if I was just thought of her,

J: Mmhm.

N: all of a sudden like well.

J: Mmhm.

N: I guess I didn't really, but I noticed basically that's all I really can say about Georgina was that she looked banged up but she looked healed.

J: Okay.

N: Do you see what I'm saying?

J: She looked like she'd already healed all the bones that were broken.

N: Yeah.

J: And she's walking around but.

N: Yeah.

J: She was deformed, disfigured?

N: No, discolouration.

J: Okay, bruised.

N: Yeah. She was, she wasn't deformed or anything.

J: And she was with someone else?

[ Evenhanded - 01E-1388 20050308 : 11:33:09 : Box 05 : 0009938 : 92 ]

N: Yeah but...

J: Native guy or?
N: No, she was with a woman.

J: Mmhm.
N: A woman.

J: Someone you recognize?
N: No actually, she was just briefly -- I don't know, I was dealing with a woman or talking with a woman, but then all of a sudden Georgina appeared and I was like, well what are you doing, what are you doing in my dream. Was basically, I came to say goodbye. And I said, well why did you come to say goodbye to me.

J: What did she say?
N: She goes, yeah, um yes, just wanted to say goodby.

J: And then what did she do?
N: That's when I woke up.

J: Oh, okay, darn (laughs).
N: (laughs) yeah.

J: So, so did, when was the last time you thought about her, except for today?
N: Must be...just last week actually.

J: Why did you think of her?
N: Um, well I was actually thinking of her brother. I was asking him, I was gonna ask, I was wondering if you know maybe she had shown up or whatever. I was gonna get (Inaudible) warn her brother to find out (Inaudible) or ask it.

J: Mmhm.
N: And he said that he had transferred or paroled or whatever.

[ Evenhanded - 01E-1388 20050308 : 11:33:13 : Box 05 : 0009939 : 92 ]

J: Mmhm.
N: So, just left it at that.

J: Mmhm.
N: And all of a sudden boom.

J: You're--
N: And it's, you know it is really weird because a dream is like, it was a powerful dream.

J: Mmhm.
N: And even, as soon as I heard my name.

J: You weren't surprised?
N: For a big guy. Like for V & C, it's like well, nobody's coming to see me.

J: Because you don't get visitors?
N: Yeah.

J: Yeah.
N: So then it's like well in the afternoon too I was thinking well it could maybe be my lawyer,

J: Mmhm.
N: or the police. That's why I can't think of any charges, I've pretty well dealt with everything.

J: Why would the police be here, yeah?
N: Yeah.

J: Yeah.
N: And then this happened, so I saw Georgina's hands, holy shit, that's really weird 'cause I had a dream about it this morning. I was, I was actually just talking to the Elder about that too hey this morning.

[ Evenhanded - 01E-1388 20050308 : 11:33:15 : Box 05 : 0009940 : 92 ]

J: Mmm.
N: I said, why would some, why would somebody come and say goodbye to you.

J: What did he say, what did the Elder say?
N: He didn't really say nothing hey. I was--

J: They're pretty, they're pretty wise actually.
N: Yeah, I was gonna go back to him and talk to him, like he was busy discussing somethin' somebody. I was actually gonna sit down with him this afternoon and ask him (Inaudible). Because I noticed in my dreams like I have a lot of dreams and it's weird 'cause a lot of people come and see me in my dreams and I, I don't know they are but I'll be in a fire or somethin' and help me out. And I say, "well who are you, and why are you help me?" And they just smile and just you know.

J: Mmhm.
N: Will you help me out one time so I can't remember (Inaudible).

J: Mmhm.
N: But ah, it's weird because our people have beliefs of like different beliefs hey and last, the last week like I said, my dreams were kind of distorted and I was seeing, what we have I believe we call little people. They're takers in life right.

J: Okay.
N: They help in life, taking lives or to let you, warn you that somebody's gonna die or somebody's dead. And I've been having those dreams and all of a sudden told my, told the Elder (Inaudible) somebody's having these (Inaudible) he goes, "I'll give you a dream catcher." So he gave me a dream catcher and all of sudden boom just like (Inaudible) what's going on here,

J: Mmhm.
N: right (laughs).

J: Interesting.
N: Yeah, other, other than that I can't basically, I can't, that would be about the only time I saw her, would be the last time I saw her.

[ Evenhanded - 01E-1388 20050308 : 11:33:18 : Box 05 : 0009941 : 92 ]

J: Mmhm.
N: And she was, and in good physical condition then when I saw her. And...I think that's basically it.

J: And, and your ex would probably remember that time was well?
N: Yeah if you had mentioned it, I was.

J: Would she know who this other fellow was, the cousin?
N: No.

J: Okay. Okay, now like, do you have a pretty good handle on when you've been in jail and when you're out or is it sort of just a day, just don't remember?
N: Oh what do you mean?

J: Like do, do you have a pretty good idea of when you were here and when you're in, when you're, you were Provincial as well, you've been in Provincial?
N: Yeah.

J: Yeah. Do you have a pretty good idea of the dates that you were, you were?
N: Only to (Inaudible).

J: Oh, okay, alright. So you couldn't tell me if you were in jail or not, and obviously you weren't when you were at the Balmoral?
N: No, I wasn't in jail.

J: How long had you been out at that time?
N: Not very long.

J: Okay.
N: It's pretty foggy out there anyways.

J: Yeah.
N: I'm not used to fully staying out there too long,

[ Evenhanded - 01E-1388 20050308 : 11:33:20 : Box 05 : 0009942 : 92 ]

J: Yeah.
N: just like that (Inaudible) involved in (Inaudible).

J: Get back into the heroin and stuff.
N: Yeah.

J: Yeah.
N: Yeah, well it's hard not to.

J: Yeah, well yeah if you don't get away from those influences, yeah.
N: Yeah.

J: You have been, are you clean?
N: Yeah.

J: Inside, yeah.
N: Well, most of the time.

J: Yeah.
N: I try, try and (Inaudible) too you know, you could come in here,

J: Sure.
N: ah clean and leave with an habit.

J: Yeah.
N: I was out of work, and just get involved in it.

J: You are now?
N: Yeah.

J: Okay, okay. I brought, I'm just gonna stop this tape.

I have attached some information from CI-PERS who saw a Missing Poster in Vancouver.

During our conversation the other day with you stated that you would be sending a quick 1624 with respect to a telephone interview that you had with CI-PERS. Could you fax that to me asap so I can follow up on the information.

Thanks, and have a nice day.

Nancy

**CIRCUMSTANCES :** This is a continuation of the initial report. The writer sent an E-mail to Cst. Nancy JOYCE from Mission to enquire about CI-PERS was an ex-tribal police officer who may have had contact with PAPIN in the spring of 2001. This info originated from PAPIN's ex-husband POI4055 who was in jail at the time of the interview. POI4055 provided a phone number of CI-PERS .
Cst. JOYCE advised the writer via E-mail that she would follow up this lead as well she advised that an ex-boyfriend of PAPIN identified as CI-PERS may have been dating PAPIN at the time of her disappearance. Cst. JOYCE will also follow this lead and advise the writer of her findings.
The writer also advised Cst. JOYCE to try and obtain familial DNA or PAPIN's DNA to be profiled in the event that PAPIN is located.

Missing Person
Mission Det Case —Org (01-03-14)

**DATE :**2001-07-03

**CIRCUMSTANCES :** PAPIN was a native prostitute who worked the area of Hastings Street in Vancouver , B.C. She was a heroin user. She was living in Mission at 32759 Fraser Cres. in Mission when she disappeared. She was dropped off at the Friendship Centre in Vancouver @ Hastings and Main St. on 99-03-01 by her sister-in-law. She wasn't reported missing until 01-03-14 as she hadn't been seen nor had she been picking up her cheques. She has 4 children but none were living with her at the time of her disappearance. Her ex-husband, CI-PERS (B:PID PID ) was interviewed by Cst. JOYCE of Mission Det. He last saw PAPIN on 98-12-03 . He did advise that he had heard that CI-PERS an ex-tribal police officer may have had contact with PAPIN in Feb. or Mar. 01. CI-PERS may be reached at PID . There was no follow up on the Mission master file to indicate if CI-PERS was contacted by police. Vancouver Police have entered PAPIN as a Missing Person and their file 01-52564 refers. The writer will contact Cst. JOYCE of Mission to ascertain if she has contacted CI-PERS

J: Cst. Nancy JOYCE
POI4055

J: May 14th, 2001. Cst. JOYCE interview with POI4055 at PID PID When, when did you move out of PID ?

Actually just over two years ago.

J: Okay.

This weekend is (Inaudible) two year anniversary.

J: Okay. So just over two years ago.

Yeah.

J: So like April or something like that?

Yeah.

J: Of '99. Okay. So when was the last time you saw Georgina?

That would be the night that uh, the altercation happened was (Inaudible)

J: Okay. So I don't know when that was but it was in '98 I guess, wasn't it? December?

December. Yeah.

J: December '98. That's the last time you saw her?

Yeah.

J: Okay. Have you talked to her on the phone at all since then? (Pause) Okay. Yeah, I think that was, was, what does it say, it was on December 28th of '98. Okay. So you haven't talked to her. Have you heard anything from her? Have you heard of her or anyone talked to her that you know?

I've heard people say they saw her in Mission month, two months ago.

[ Evenhanded - 01E-1388 20041203 : 08:55:42 : Box 183 : 0400858 : 2191 ]

[ Evenhanded - 01E-1388 20041203 : 08:56:06 : Box 183 : 0400859 : 2191 ]

J: Two months ago?
[redacted] Yeah. (Inaudible) They never said they actually talked to her, say that (Inaudible)

J: Okay. Why do you say that?
[redacted] Because of children's lives would be at stake (Inaudible)

J: Okay.
[redacted] (Inaudible)

J: Do you remember who said that they saw her?
[redacted] I was just trying to think. I think it was, I'm pretty sure it was CI-PERS [redacted] (Inaudible) ex-Tribal police in Mission.

J: Sorry, an ex--?
[redacted] Ex-Tribal police.

J: Oh, okay. Do you have any way of contacting him?
[redacted] Uh, we don't get along anymore but uh...

J: Through Lakahaman (sp?).
[redacted] No. His phone number is... PID [redacted]

J: Okay, and who else mentioned that they saw her?
[redacted] I believe it was him. I'm not really sure but uh, if it wasn't, he would know somebody that, like I say, (Inaudible) so (Inaudible) pretty sure (Inaudible)

J: Okay. What, why would he mention to you, like what was the context that he mentioned to you that he had seen her?
[redacted] I just, every time her name's brought up I (Inaudible) quiet, (Inaudible), and when they said that she, like she was like, somebody saw her (Inaudible)

J: Okay.
[redacted] I"m pretty sure (Inaudible)

J: Okay.

[ Evenhanded - 01E-1388 20041203 : 08:56:13 : Box 183 : 0400860 : 2191 ]

[redacted] If not (Inaudible) nobody else in that circle (Inaudible) contact (Inaudible)

J: Who would, who would she be hanging out with if she was, if she was still in town or who might know where she hang--, where she is?

[redacted] I think most of the girls she used to hang around with are either back in jail or gone different roads or (Inaudible)

J: Um, you mentioned that you, you felt that she's probably dead?

[redacted] Mmhm. I thought she was dead a year ago (Inaudible) recently after (Inaudible)

J: Had you heard anything?

[redacted] I know the people she ripped off.

J: Okay.

[redacted] And (Inaudible)

J: I'm sorry?

[redacted] I know they'll take her out (Inaudible)

J: Okay.

[redacted] (Inaudible)

J: Are they friends of yours? Oh, okay.

[redacted] I used to, I used to be in the business (Inaudible) I was (Inaudible)

J: Okay.

[redacted] (Inaudible)

J: Okay.

[redacted] (Inaudible)

J: Who, can you tell me who?

[redacted] Who'd take him out?

J: Yeah.

[ Evenhanded - 01E-1388 20041203 : 08:56:16 : Box 183 : 0400861 : 2191 ]

[redacted] (Inaudible) Uh, her ex-boyfriend would take her out (Inaudible) assaults or something.

J: Who is that?

[redacted] (Inaudible) Jeez, I really never got into their (Inaudible) I only saw her once to try and get her to straighten out (Inaudible) three years ago, four years ago.

J: When you say, when you say "take her out", you mean like kill her?

[redacted] Yeah.

J: Okay. Do you know his name? The ex-boyfriend? Was he in Mission?

[redacted]: No. (inaudible)

J: In Vancouver.

[redacted] (Inaudible) She went to Vancouver and lived on the streets (inaudible) prostitution (inaudible)

J: Um...

[redacted]: The night, the night she tried killing me, uh, she was running from people in Vancouver and needed money (inaudible)

J: Okay.

[redacted] That's why she was (Inaudible) ...thirteen year old daughter who's just, just arrived there (Inaudible). Uh, she was staying with friends and then because my daughter saw what was going on, she (inaudible)

J: Did you know any of those people that she was running from?

[redacted]: No. No.

J: Any of her co--, any of the people she knew from Vancouver? Do you have any names that you can...?

[redacted] (Inaudible)

J: What, what was she using?

[redacted] (Inaudible)

[ Evenhanded - 01E-1388 20041203 : 08:56:19 : Box 183 : 0400862 : 2191 ]

J: Okay.
[redacted]: (Inaudible)

J: Okay. Any you guys have kids together, right?
[redacted]: Three children.

J: Three, okay. And does she have a, she has another daughter living somewhere else?
[redacted]: (Inaudible) Yeah, she has a daughter living in the States (inaudible)

J: Do you think she would have gone there?
[redacted]: You know, I really don't know her that well.

J: Georgina?
[redacted]: Yeah.

J: Okay.
[redacted]: I just, she started going on the streets (inaudible)

J: Okay. And, and she was prostituting in Vancouver, was that..?
[redacted]: Yeah.

J: Yeah. Do you know where, where she was hanging out? Did you ever see her down there?
[redacted]: I saw her, one time I went to go see her, she was in uh, what was that, (Inaudible)

J: Mmhm.
[redacted]: (Inaudible) went and sat in a bar (inaudible)

J: Okay. And you, you can't think of anybody like I would contact in Vancouver that she hung out with?
[redacted]: No. No. I, I (inaudible) and she abandoned[redacted]CI-PERS inaudible) Vancouver (Inaudible) and I moved (inaudible) moved back here, to Mission, (inaudible) .....I said anybody ever mentions (inaudible)

J: Yeah. And your kids are with you now?

[ Evenhanded - 01E-1388 20041203 : 08:56:22 : Box 183 : 0400863 : 2191 ]

[redacted] No. I couldn't raise them, I tried.

J: Yeah.
[redacted] (Inaudible) I had joint custody with another couple but that was my choice.

J: Okay.
[redacted] It went through court (inaudible) given up custody...

J: For all three of them?
[redacted] Yeah.

J: And have they, are they all in the same place?
[redacted] Yeah.

J: Okay.
[redacted]: Oh yeah, I wouldn't (inaudible)

J: And do you see them, the kids? Have they talked to their mom at all?
[redacted] (Inaudible) until they're older, that's (inaudible)

J: Okay.
[redacted] (Inaudible)

J: Okay. Okay, so you haven't talked to her or heard from her since that altercation that you had in Mission.
[redacted] No.

J: Okay. If I, can I give you my card?
[redacted] Sure.

J: And if, if you happen to talk to somebody and they mention her name, instead of saying "I don't want to hear about it" can you have them call me or can you call me?
[redacted] Yeah, like I say, I think the only one is, is CI-PERS [redacted] Inaudible)

J: Okay. Where did he work Tribal police? Out here? PID [redacted]?

**To:** Nancy JOYCE
**Subject:** Re: Your file 2001-2788 / PAPIN

Nancy, thks again, I discussed your e-mail with my boss, we have in fact taken over this investigation as per the direction of S/Sgt Don ADAM of this team. However, we would love to have your help when dealing with this investigation, your file will have to remain sui CPIC of course and when/if you receive further documentation/information on this file we will need to have it. I notice you planned on conducting further interviews, please make sure you check with a member of this team prior to doing any further interviews.

You will notice I have referred to we throughout the a/m, that is because no one member has been assigned this file, it will be worked on in conjuntion with the other missings, it may appear we aren't doing anything but trust me. This project appears to be a big wheel that is taking time to get rolling but it should pick up speed as we go.

Nancy, we welcome your comments and suggestions on this file, please don't hesitate to call me at 543-4824 or page me at 667-4549.

Thks again, Audrey

Sorry I didn't get back to you sooner... I was away for a block and was playing catch-up as usual... my answers are incorporated in your email. What do you want me to do with any information that I receive in the future... are you taking this investigation on full time and should I be closing my file?? Please advise. (Note: I'd like to keep my fingers in this pie as I know the family members who reported her missing and have an interest in this file.)

Hi Nancy,

I'm working with the Project Even-Handed. Sorry we missed you on Wednesday, myself and Dan ROY visited your detachment and reviewed the a/m file. We copied everything we needed. Looks like you did a lot of work on this investigation already. We have been tasked to further investigate this file because it fits the parameters of the investigation of the Missing Prostitutes of the Vancouver Downtown Eastside.

Could you reply to the following considerations:

- Ensure the Dental Records are entered on CPIC at Mission Detachment and maintain the records on your file.

I have made a request to have our CPIC person do this... and the records will remain here in Mission.

- Advise whether there is anything of subsequence on the computer disc(unlabelled) which is located inside your file jacket.

This contains the .JPG file of photo of PAPIN

- The last documentation on file is dated Sept 12th. Is there any other info/documentation received at your

office that was not included in the file. If so could you make sure we get a copy of it.

No further documentation was on file... what do you want me to do with any further investigation that is done from the date you were here??

- What contact have you had with CI-PERS did you by chance have an interview with him?

I haven't interviewed him yet but it's on my "to do" list for this file. He will be interviewed in the near future. Also, CI-PERS and CI-PERS will be interviewed to determine their last date of contact with Georgina.

- On your To Do List you have a note to contact CI-PERS what does she have to offer do you think?

CI-PERS may have had contact with Georgina... hard to know if I don't speak with her.

- Did you get the XRays from CI-PERS

The x-rays don't show anything apparently. There are also x-rays available at MMH however their policy dictates that I need a warrant for access or the signature of the person that they refer to, and upon application it was denied as there was no criminal charge pending. We're caught between a rock & a hard place here. If we find a body then we can access these records.

- Have you met CI-PERS Did she have anything to offer?

CI-PERS was one of the original complainants on this file. I spoke with her originally and we have a salival sample from her on file.

- I may be confused, did CI-PERS have contact with PAPIN in March 2001?

I set up a meeting with CI-PERS to speak with him that he did not keep. Have not been able to contact him since that date but will be speaking with him to see if he actually saw Papin.

- Any other feelings or rumours, etc. that you have knowledge of which would assist us in this investigation.

I suspect that Georgina has met with foul play due to her lifestyle and the individuals that she appeared to keep company with. It appears that CI-PERS may have been on release from prison at the time that Papin went missing... I need to interview him as a witness to get a feeling for this.

Again, thanks for your thoroughness of this investigation to date. Good job. If you would like to discuss, please call me at 604-543-4824 or page me at 604-667-4549.

Sorry I didn't get back to you sooner... I was away for a block and was playing catch-up as usual... my answers are incorporated in your email. What do you want me to do with any information that I receive in the future... are you taking this investigation on full time and should I be closing my file?? Please advise. (Note: I'd like to keep my fingers in this pie as I know the family members who reported her missing and have an interest in this file.)

Hi Nancy,

I'm working with the Project Even-Handed. Sorry we missed you on Wednesday, myself and CI-PERS visited your detachment and reviewed the a/m file. We copied everything we needed. Looks like you did a lot of work on this investigation already. We have been tasked to further investigate this file because it fits the parameters of the investigation of the Missing Prostitutes of the Vancouver Downtown Eastside.

Could you reply to the following considerations:

- Ensure the Dental Records are entered on CPIC at Mission Detachment and maintain the records on your file.

I have made a request to have our CPIC person do this... and the records will remain here in Mission.

- Advise whether there is anything of subsequence on the computer disc(unlabelled) which is located inside your file jacket.

This contains the .JPG file of photo of PAPIN

- The last documentation on file is dated Sept 12th. Is there any other info/documentation received at your office that was not included in the file. If so could you make sure we get a copy of it.

No further documentation was on file... what do you want me to do with any further investigation that is done from the date you were here??

- What contact have you had with CI-PERS did you by chance have an interview with him?

I haven't interviewed him yet but it's on my "to do" list for this file. He will be interviewed in the near future. Also, CI-PERS and CI-PERS will be interviewed to determine their last date of contact with Georgina.

- On your To Do List you have a note to contact CI-PERS what does she have to offer do you think?

CI-PERS may have had contact with Georgina... hard to know if I don't speak with her.

- Did you get the XRays from CI-PERS

[ Evenhanded - 01E-1388 20041203 : 08:59:19 : Box 183 : 0400869 : 2191 ]

The x-rays don't show anything apparently. There are also x-rays available at MMH however their policy dictates that I need a warrant for access or the signature of the person that they refer to, and upon application it was denied as there was no criminal charge pending. We're caught between a rock & a hard place here. If we find a body then we can access these records.

- Have you met CI-PERS Did she have anything to offer?

CI-PERS was one of the original complainants on this file. I spoke with her originally and we have a salival sample from her on file.

- I may be confused, did CI-PERS have contact with PAPIN in March 2001?

I set up a meeting with CI-PERS to speak with him that he did not keep. Have not been able to contact him since that date but will be speaking with him to see if he actually saw Papin.

- Any other feelings or rumours, etc. that you have knowledge of which would assist us in this investigation.

I suspect that Georgina has met with foul play due to her lifestyle and the individuals that she appeared to keep company with. It appears that CI-PERS may have been on release from prison at the time that Papin went missing... I need to interview him as a witness to get a feeling for this.

RE: Papin, Georgina - DNA sample

Hi there. Last Wednesday I delivered a smear from the BCCA to the Vancouver Laboratory to be included with the other 22 STW's that will be processed in the near future.

Do you need the official form filled out for this, or will this email suffice??

Hey Nancy...

What were you doing in Asia ??? Sounds like you had a busy summer....when we went to Mission to review the files, I read the statement from POI4055 but I didn't copy it...so when you do submit the book, can you sned a copy of the statement along with it....

Also, can you attempt to get PAPIN's DNA sample.. her own would be ideal and I think the VPD members were sucessful in obtaining blood samples from their missings from the hospitals and / or clinics. Cst. Paul VERRAL of the Vancouver Identification Section will be able to assist you. His phone number is 717-3410.

If there are no known samlpes from PAPIN, we would need familial DNA to be profiled.

Let me know how you make out. Also keep me posted with the results of your interviews....

Have a good day...

Keep in touch.

Marg

Hello,

Yes, life is good without the pressure/stress of 40+ hours of university each week.

On the Papin file... although she went missing in Vancouver, and this should have been a Vancouver file, Mission is carrying the file (me) and investigating it. I will be submitting the ViCLAS book.

Also, thanks for reminding me about CI-PERS . I had forgotten about that. I've been away in Asia doing RCMP duties (for 21 days) and then up at Whistler fighting protestors and haven't really gotten back looking at the files. I will be following that up.

Also, there's an ex-boyfriend of Papin's, CI-PERS who happens to reside in Matsqui (prison) right now and apparently was going with her around the time that she disappeared. I will be following up with him too.

Any other information that you can assist me with/or that I can assist you with, please let me know.

When did you get a copy of the statement I took from POI4055?? I guess I don't have to send you any of the statements with the ViCLAS??

I will try to get Papin's DNA however when I first received the file I got the DNA of her sister so we have that at the very least.

Asia?? I was there for 4 Canada Day receptions at the Embassies and Consulates in Hong Kong, Macau & Tokyo. It was a great experience. (this was through the Ceremonial Troop so it was paid for - the best way to fly!!).

I will be interviewing Papin's ex-boyfriend after I gather some details from CI-PERS Will be in touch and sending you a ViCLAS asap (duh, how did I forget that one??)

I am in the process of obtaining a smear from the a/n for Georgina PAPIN who is another missing person from BC. I understand that 22 previous slides were obtained for the Missing STW file. Could you tell me who your contact is with the laboratory and I will ensure that he/she also gets this sample as it falls within the same guidelines. I have agreed to have the slide returned within 6 months (as this was the timeline that was used for the 22 slides) is this enough time to do a DNA profile??

Just wondering if a check was done for missing person against our FHR.

Missing is Georgina Faith Papin of Mission, BC. She is described as a native female, 36 years, 5'0" tall, 122 lbs, HIV +, black hair (long), slash scar on left arm, KIRK on right bicep, Heart tattoo on RUA.

Let me know if there are any possible FHR that match. She was last seen in the spring of 1999 (March).

please note that our reasons, referenece our inquiries made on 2001-02-26 was because the a/n subject relatives from the enoch indian reserve had some concerns and requested our assistance in attempt to locate her because they have not heard from her for approximately two years. we did not want to enter her as a missing person because she left our area to relocate in good heatlh.

those our reasons.

I am Cst. #230 that you refer to in your CPIC regarding an FPS query o

Papin on 01-03-04. It is a mystery.....I have no notes regarding any dealin
g with
Papin. I can't find anything on the occurrence log nor can I find anything on
PIRS for that time period.

Was that the only query that I made regarding her. If so then it was probabl
y an
error in entering the FPS??????? I would have likely done a PERS & CNI query
first in order to get the FPS???????? Do you have any other details.

Sorry I cannot be of further assistance. If you can think of anything or have

Checked negative. The only outstanding females are "Sarah" a white female who jumped off the Art Laing Bridge in 2000, and a white female who jumped under the Skytrain in 1998.

Just wondering if a check was done for missing person against our FHR.

Missing is Georgina Faith Papin of Mission, BC. She is described as a native female, 36 years, 5'0" tall, 122 lbs, HIV +, black hair (long), slash scar on left arm, KIRK on right bicep, Heart tattoo on RUA.

Let me know if there are any possible FHR that match. She was last seen in the spring of 1999 (March).

Hi, just for your info I gave that file to Geremy to have the details entered in SIUSS. We only have one entry on her in RMS, back in 98 PSP charge 98-188890. There's not much you can do except make a poster, go down the list that I gave you for background, talk to anyone who may have seen her last, all the usual investigative stuff that I won't bore you with because you already know. If you want me to do anything for you just ask.....I have a few contacts out there. You might want to touch base with the Sgt. out there I cant remember his name, and ask him if he needs anything from you. [redacted]

Take care,

Cheryl

Just wondering if a check was done for missing person against our FHR.

Missing is Georgina Faith Papin of Mission, BC. She is described as a native female, 36 years, 5'0" tall, 122 lbs, HIV +, black hair (long), slash scar on left arm, KIRK on right bicep, Heart tattoo on RUA.

Let me know if there are any possible FHR that match. She was last seen in the spring of 1999 (March).

please note that our reasons, refereneces our inquiries made on 2001-02-26 was because the a/n subject relatives from the enoch indian reserve had some concerns and requested our assistance in attempt to locate her because they have not heard from her for approximately two years. we did not want to enter her as a missing person because she left our area to relocate in good heatlh.

those our reasons.

I am Cst. #230 that you refer to in your CPIC regarding an FPS query o
f Georgina
Papin on 01-03-04. It is a mystery.....I have no notes regarding any dealin
g with
Papin. I can't find anything on the occurrence loo nor can I find anything on
PIRS for that time period.

Was that the only query that I made regarding her. If so then it was probabl
y an
error in entering the FPS??????? I would have likely done a PERS & CNI query
first in order to get the FPS???????? Do you have any other details.

Sorry I cannot be of further assistance. If you can think of anything or have
other details which could help then give me a call. I will be on leave unti
l the
12th of August. My direct line is 864-4710.

Upon checking CPIC I found the only entry on RAIL was the warrant of Committal. The observations category likely having purged one year after the entry (such was the case)." "I advised her that I would conduct enquiries into the missing person but only in so far as it did not interfere with any VPD investigation."

On March 26, 1986 Hinton RCMP placed RAIL on CPIC for observation Missing and added her dental records which they had received from Dr. Kersey in Vernon, BC, May 07, 1986.

S/Sgt. Morley forwarded a copy of his file to Cpl. Fred Malie, RCMP serious crime for follow-up in Vancouver.

landlord CI-PERS attitude. Cpl. Watson turned over a copy of the RCMP file regarding RAIL which has been filed with this department.

Contacted S/Sgt. Morley, Hinton Alberta, advised him that we had taken a missing person report and requested that his detachment remove RAIL from CPIC and we would re-enter her at this point. Entered at 09355 January 8, 1987, dental records entered January 9, 1987.

January 8, 1987, contacted CI-PERS she appears to be a difficult person to reason with.

MCS bulletin 86/14 was reprinted in RCMP Crime Index bulletin dated January 16 and copy sent to CI-PERS for her file.

On January 19 RAILS photo was given brief exposure on CBC Pacific Report the program was about missing street people and Green River murders.

On January 20, 1987 made contact with CI-PERS (MP's sister) and updated her.

Investigations reveal the CI-PERS that RAIL was living with in October 1983 is CI-PERS DOB PID FPS PID W/M 183 cms. - 74 kg. Brown hair and eyes. Warrants for false pretences for his arrest have been on the system since May 1984 issued at Vancouver and Richmond.

The writer interviewed "landlord" CI-PERS on two occasions in February 1987. He operates a one man plumbing and heating business from his home. He states he has never been married, appears introverted, gives his full name as: CI-PERS, PID born in Winnipeg, Manitoba, he is negative CPIC or any of our indices.

CI-PERS probably does not have relationships with women and uses prostitutes. He stated he had known RAIL since the fall of '81 after meeting her in the Eldorado Hotel beer parlour. She moved into a basement suite in his home around September '83 and moved out November 22nd, taking only her new clothing with her. She told him she had met a wealthy American and may go to California.

I have no reason to disbelieve CI-PERS.

Have been unable to locate CI-PERS, PID, FPS PID
He was subject RAIL was fighting with in the 1000 block Granville some three months prior to her disappearance.

Both CI-PERS should be interviewed by police when located, both have been placed on CPIC for location.

It is probable that missing person is a victim of foul play here or possibly in the U.S.A.

2001-11-29 1100hrs Review of Vancouver City Police missing person file.

RAIL was reported missing by her mother CI-PERS on 18 December 1986 to VPD. Both CI-PERS and Sherry's sister CI-PERS complained to VPD and the Hinton RCMP for not vigorously investigating her disapperance.

Sherry RAIL was born in Nakusp B.C. and moved with her step mother CI-PERS to the Hinton area in Alberta. Sherry began to get into drugs and alcohol at an early age and her mother could not control her. When she was approx. 16 or 17 she left home to go to Vancouver but still maintained contact with CI-PERS via the phone or letters. When CI-PERS did not hear from her for several weeks she became worried and learned through Sherry's landlord that he had not seen her since 21 Nov 1986 and that she had left most of her clothing and personal effects behind. Sherry had just moved into a basement suite after moving out of #7-1301 Davie Street Vancouver at the end of August 1986. Sherry had been living there with a french Canadian male known only as CI-PERS. In November 1986 Sherry moved into the basement suite of 2117 East 54th. Street.

The landlord of the house CI-PERS had met her while drinking in the Eldorado Hotel. It appears that she and CI-PERS had some type of relationship when she moved into the basement of his home. CI-PERS last saw RAIL on 21 November 1986 when she told him that she had met a rich older male from the U.S. and was thinking of joining him in either Los Angles or San Francisco . CI-PERS advised that she had taken only her newer clothes and had left everything behind. CI-PERS was interviewed twice by police and was consistant with his account and investigators felt that he was being truthful.

The male CI-PERS was identified as CI-PERS and was interviewed in PID on 01 JUN 1988. He advised that they had

an off and on common law relationship but it had ended at the end of October 1984. Investigators felt that CI-PERS could not shed any light on her disappearance.

Investigators found a letter in Sherry's home written by CI-PERS (B;PID ) from PID It appeared that he was one of her tricks and wanted her to go to the US with him. He said he would pay for it when ever he could afford it. CI-PERS was interviewed by police with negative results.

It was learned that Sherry had entered into a marriage of convenience with CI-PERS but he was deported and they were divorced.

On 83-08-17 RAIL was arrested in front of the Royal Hotel in Vancouver assaulting a male named CI-PERS . Both were convicted of Causing a Disturbance and fined. CI-PERS in a drug stuppor had grabbed RAIL's ass and she retaliated by punching him out. CI-PERS was interviewed and was found that apart from that inncident did not know RAIL.

Several letter were found at her home where she tended to befriend older males . It would appear that she was searching for a 'sugar daddy" who would take care of her.

Subsequent checks with welfare, UIC, witness protection and other agencies in Canada and the US were negative.

Dental records are on file and on CPIC.

It would appear there is very little that can be done on this file due to the investigation that was done at the time and the length of time which has passed.

Good day,

I am working on the Missing Women's Task Force. One of my ladies is Elsie SEBASTIAN (JONES). I note within the file that years (?) ago, a Missing Person poster with her picture on it, and yourself as one of the contacts. Was a file generated, as I don't see same on PIRS. What I really require is the picture of her, as it seems to be the only one.

I hope that no one else has inquired with you on this matter, and I am not doubling the efforts. Please let me know.

Thanks

JC

Detective McKnight received the following tip assignments in regards to the family contacts that had to be identified and given to E. Antunes of the VPD Victim Services Unit. The investigators were contacted and the names of the family contacts were obtained and given to Antunes. Detective McKnight was advised that the Victim Services Unit contacted the majority of the family members and invited them to attend the meeting on October 14th 2001. Attached is a list provided by Antunes that identifies the family contacts and their telephone numbers. The tips should be reassigned to the members assigned to conducting the review of the new missing files to determine the status of the investigation. Most of these victims match the profiles of the missing women currently under review by Even-Handed. These files are still held by and being investigated by the originating agency.

Welfare check for Elsie SEBASTIAN
- No activity on file since file closed in 1992.
- File linked to ex- CI-PERS but he could not cash any.
- Nothing "cashed" in her name - nor surname JONES.
- Possibility that CI-PERS is creating cheques in her name, that appears to be the only option / possibility.

**Subject:** Inquiry

Good day,

I am working on the Missing Women's Task Force. One of my ladies is Elsie SEBASTIAN (JONES). note within the file that years (?) ago, a Missing Person poster with her picture on it, and yourself as or the contacts. Was a file generated, as I don't see same on PIRS. What I really require is the picture o her, as it seems to be the only one.

I hope that no one else has inquired with you on this matter, and I am not doubling the efforts. Please me know.

Thanks

## Reported Missing to Vancouver City Police on 2001-05-16

**BACKGROUND:**

Elsie SEBASTIAN (nee JONES) was born in Port Alberni, BC on 1952-01-11. **(Doc 25678)** She was the child of Mary and Walter JONES (both deceased). SEBASTIAN grew up on a Reserve in Port Alberni, BC; she was the second youngest of a family of 11 brothers and sisters. Her brother CI-PERS stated during an interview **(Doc 68010)** that his mother was abusive towards both he and SEBASTIAN. He stated that himself as well as SEBASTIAN and his older sister CI-PERS were sexually abused by their parents. CI-PERS, CI-PERS and their youngest sister were raised by their older brothers, CI-PERS. When CI-PERS was PID and SEBASTIAN was 13 they were removed from the residential school they attended and lived with various relatives **(Doc 44681)**. It should be noted that during a childhood accident SEBASTIAN's top portion of her right hand index finger was cut off. **(Task 10310, TA 73753, Doc 68010)**

CI-PERS described SEBASTIAN as someone who drank a lot, but mainly on weekends. At that time, SEBASTIAN wasn't into any drugs and she would always look after herself.

In 1967/68 SEBASTIAN had her first child, CI-PERS

CI-PERS

On 1973-04-11, SEBASTIAN had a daughter named CI-PERS with CI-PERS The relationship between CI-PERS and SEBASTIAN broke down and she began seeing CI-PERS who she married in 1982. CI-PERS and Elsie lived in Prince George and had two children. In PID a daughter named CI-PERS was born, although CI-PERS believed that CI-PERS was his child it is speculated by others that she is the biological child of CI-PERS **(Doc 57968)**, and in PID CI-PERS was born. Both CI-PERS and Elsie were heavy drinkers and drug users. Elsie left CI-PERS and moved to Victoria on Vancouver Island, BC. While in Victoria, SEBASTIAN started a relationship with a man by the name of CI-PERS CI-PERS

CI-PERS real name is CI-PERS **(Doc 77789)** he lived with SEBASTIAN and her children for approximately one year in and around 1987. They lived in several different locations before ending up in Vancouver where CI-PERS was arrested and charged with assaulting SEBASTIAN. This will be elaborated on within the POI portion of this report.

In June 1987 SEBASTIAN's Children are taken away and given to CI-PERS **(Doc 57968)**

CI-PERS knew SEBASTIAN from 88/89 – 1991. During an interview CI-PERS stated that he and SEBASTIAN had resided in Prince George, Kamloops and Edmonton. SEBASTIAN started working as a STW in Kamloops. He and SEBASTIAN were back and forth between Burnaby, Kamloops, Edmonton,

and as far as Cranbrook and Kimberly because they were doing heroin runs. It was in this time that SEBASTIAN started using "the needle" doing homemade speed and cocaine. The last time CI-PERS saw SEBASTIAN was sometime in 1991. **(Task 10335, Doc 95650)**

The last relationship SEBASTIAN has is with CI-PERS SEBASTIAN and CI-PERS were together for approximately 8 months before he was arrested and charged with assaulting her. In CI-PERS interview dated 2004-06-10 he says that SEBASTIAN used drugs and alcohol. He also stated that SEBASTIAN was not working in the sex trade. When questioned more he indicates that she may have met men in bars but she didn't stand on a street corner. **(Doc 63660)** This relationship will be detailed in the POI portion of this report.

CI-PERS SEBASTIAN's sister-in-law, reports her missing to VPD on 2001-05-16. **(Doc 59109)**

Elise SEBASTIAN was 40 years old when she disappeared. The B.C. Department of Vital Statistics has a record on file for the Birth of SEBASTAIN on 1952-01-11 and also her marriage in 1982. There is no record of her death in British Columbia. **(Doc 8472)**

**INVESTIGATION**:

Pharmacare records for SEBASTIAN indicate her last prescription, which was paid for by them, was filled on1992-08-24. **(Task 10712, Doc 64068)**

The last Gain cheque cashed by SEBASTIAN; Gain cheque numbered 4328891 dated 1992-08-26 in the amount of $265.00 made payable to SEBASTIAN, Elsie at an address of 206-1855 E. Georgia St. Vancouver, BC. A signature in the name of Elsie SEBASTIAN is on the back. It appears that the cheque was cashed on 1992-08-27. **(Task 4312, TA 24804, Doc 16509, Doc 16508)** Money Mart was canvassed and a search for any records held or archived by them in relation to SEBASTIAN proved to be negative. **(Task 10247, TA 73737)**

Request for MSP records for Elsie SEBASTAIN; there were no billings for Medical services attributed to Elsie SEBASTIAN for the date period searched (1995-2002). **(Task 8814, TA 63102, Doc 49007)**

A search was done to located dental records for SEBASTAIN with negative results. **(Tasks 3438, 4335)**

On 1992-10-07 at 0104 hours, SEBASTIAN was admitted to St. Paul's Hospital by ambulance. Diagnosis is for assault injuries that occurred at 122 E. Hastings St. Vancouver BC, this is the assault involving CI-PERS. She is discharged at 0300 hrs. On 1992-10-09 at 0400 hours, SEBASTIAN was admitted to St. Paul's Hospital by ambulance. She was discharged the same day at 1420 hours. Her diagnosis was for headache and abdominal pain due to being assaulted two days earlier. Excluding these two dates SEBASTIAN was admitted to St. Paul's 11 separate times between 1991-11-06 and 1992-10-07. **(Task 11681, Doc 80081)**

On 2004-06-23 a fax is received from BC Ambulance stating patient care records are destroyed after 10 years, so there are no patient records for SEBASTAIN. **(Doc 57244)**

An inquiry at Vancouver Detox reveals SEBASTIAN was last seen by staff on 1992-09-11. She left detox of this same date after having been there for 105 hours. She was referred to Homestead. Her intake care indicates she used an alias of Elsie JONES. It notes that she had been sober for one week and that she binges on cocaine and alcohol once a week. SEBASTAIN never did attend Homestead. **(Task 1559, TA 4179, Doc 1628, Doc 1632)**

Inquiries were made at Helping Spirit Lodge, which is located in Vancouver, confirmed that SEBASTIAN had stayed at the Lodge from August 16, 1992 until August 28, 1992. Records show that SEBASTIAN "went home" to her abuser. All efforts were made to identify the staff person who dealt with SEBASTIAN and try to identify 'her abuser' all was done with negative results. **(Task 1566)**

On 2004-06-23 a check was done for any VPD jail booking sheets associated to SEBASTIAN. Vancouver Police Archives Section has a five year retention on all booking sheet records. Therefore, at the time of the inquiry there were no booking sheets being held for any dates prior to 1995, well after SEBASTAIN's date last seen. The Vancouver Police Records Section was also checked. There was no file under the name SEBASTIAN or any of her aliases therefore no booking sheets were located. The records section will retain booking sheets for printable Criminal Code Charges indefinitely. SEBASTIAN did not have an FPS number, which would explain why there were no files located. **(Task 2144)**

A review of VPD file 1993-147568, dated 1993-05-04, later amended to read 93-06-10, was conducted by Cst. LUI a member of the MWTF. This file was a missing persons report for Elsie JONES aka SEBASBTAIN born 1953-01-11, the report was made by her mother CI-PERS The report indicates that the last person who saw missing was CI-PERS Elsie JONES was entered onto CPIC as missing. 1993-09-14 Elise JONES is removed from CPIC. A notation on the file read "93-08-03 report to Band, Reportee to check with local police. 93-09-14 info is she has been seen by relatives." Based on the limited information in this report, the source of information that SEBASTAIIN had been seen by relatives is not apparent. However, this information is generally consistent with the rumours of SEBASTIAN being alive in Seattle. These rumours have circulated through the JONES family and have been attributed to CI-PERS and CI-PERS There is no evidence to corroborate these rumours. **(Task 10310, Doc 64128)**

CI-PERS who is a cousin of SEBASTIAN has claimed that she saw SEBASTAIN in the DTES Women's Centre shortly after September 1995 and again in the Balmoral hotel pub March of 1997. JONES also says that SEBASTAIN told her she was going to Seattle. CI-PERS states that SEBASTIAN phoned her and left written messages for her at the DTES Women's Centre somewhere between March and September 1997. The DTES Women's Centre was contacted and they advised this message board was informal and there is no record and they have no record of SEBASTIAN using their services. **(Task 10339)** There are many inconsistencies in JONES's claims. Nothing she has provided has been substantiated or supported in any way. **(Task 10293)**

There had been several suggestions by family members that SEBASTIAN could be in Seattle because she had spent some time there with CI-PERS and also from the information received from CI-PERS and

CI-PERS. On 2002-03-10 CI-PERS, brother of SEBASTIAN is interviewed by Det. BALL of the MWTF. CI-PERS advises he believes SEBASTIAN was seen in Seattle in approximately 1995, and had contact with a Settle social worker at that time. CI-PERS ndicates the social worker's name is CI-PERS and that he told CI-PERS he had had contact with SEBASTIAN. **(Task 2754, TA 14772, Doc 23605)**

Sgt. ALMAS, of the MWTF, summarizes the task involving CI-PERS as follows; CI-PERS is a Native outreach worker in Seattle. It is reported that he has both personal and professional knowledge of SEBASTIAN. CI-PERS was interviewed once in person and spoken to on several occasions. He has since passed away (2003-12-20). CI-PERS has a poor recollection of events and provides conflicting information. The essence of his information is that SEBASTIAN was in Seattle around the time she was last seen. According to CI-PERS he made inquires but could not locate any record of her being in Seattle. At this time there is no other evidence to suggest she was in Seattle at the time of her disappearance. **(Task 4511, TA 99043, Doc 7114)**

The US Bureau of Native Affairs was contacted relative to SEBASTIAN. Inquiries revealed that there were no records for SEBASTAIN. **(Task 13596)**

Checks were made with the State of Washington, Community Services Office as they have a statewide searchable data base. All checks were completed with negative results. **(Task 13603)**

Information that SEBASTIAN utilized Social and Health Services in or around Seattle, Washington was investigated. The results of all searches for SEBASTIAN in this area were that no relevant information was learned. It is be believed that SEBASTIAN is not in the USA, and was last confirmed to have used services there in 1987, five years prior to her established date last seen. **(Task 10279)**

**LAST KNOWN ADDRESSES:**

In SEBASTIAN's welfare file dated 1992-05-08 it states she was living at the United Rooms located 139 E Cordova St. Vancouver, BC, but had move to Powell Place (May 08-15/92) because her boyfriend had assaulted her. **(Doc 25692)** On 1992-05-27 an entry is made indicating that SEBASTIAN has moved back to the United Rooms. On 1992-06-05 SEBASTIAN submitted a change of address to: #206 1855 East Georgia. **(Doc 23145, Doc 25693)** Inquires were made at the United Rooms in relation to records from the time SEBASTIAN would have stayed there. No records were available for that time period. **(Task 2374, TA 69230)**

Welfare file entry dated 1992-08-16, states SEBASTIAN says she has been homeless for 2 weeks and has been sleeping at various friends place. It goes on to say she met up with her boyfriend who threatened her and she claims she hasn't had a drink for 3 days. Helping Spirit Lodge accepts her. **(Doc 23145)** Inquiries were made at Helping Spirit Lodge, which is located in Vancouver, confirming that SEBASTIAN had stayed at the Lodge from August 16, 1992 until August 28, 1992. **(Doc 1566)**

1992-08-28 to 1992-09-04 SEBASTIAN stays at the West Hotel but must find alternative accommodations there are no rooms available after Sept. 4th. **(Doc 23145)**

1992-09-04 to 1992-09-23 SEBASTIAN stays at the Wonder Rooms located at 50 E Cordova St. Vancouver, BC. Inquires were made at Wonder Rooms for any records dated around the period when SEBASTIAN would have stayed there. No records were available for that time. **(Task 2374, TA 69230, Doc 25696)**

1992-09-23 SEBASTIAN's welfare profile indicates she is now residing at the Golden Crown Hotel located at 116 West Hastings Street Vancouver, BC, with her common law spouse CI-PERS. There is no entry after this date indicating that SEBASTIAN moved. **(Task 5987, TA 34965, Doc 62924)** Between 1992-10-19/27 CI-PERS attended the residence he shared with SEBASTIAN at the Golden Crown to pick up his personal belongings. He advises that he room looks lived in and he sees her clothes there. **(Doc 25698)** This is believed to have been SEBASTAIN's last known address.

On 2004-06-25 Det. MCDONALD, of the MWTF, contacted CI-PERS who was the owner of the Golden Crown Hotel at the time SEBASTAIN resided there. MCDONALD inquired about records from this time and CI-PERS said that any records he had were destroyed in a fire. **(Task 10284, TA 69147)**

There is a welfare rent receipt dated December 18th, 1992 indicating SEBASTIAN was residing at the United Rooms, #18-139 East Cordova Street, Vancouver BC. The page is date stamped January 14th, 1992 by the Ministry office at Strathcona. It is not known if the rent receipt was possibly for 1991 or the date stamp should have been 1993. **(Doc 25696)**

**DATE LAST SEEN:**

On 1992-10-07 According to VPD report, CI-PERS, SEBASTIAN's common law spouse, is arrested for breach of a previous no contact order set in place after CI-PERS assaulted SEBASTIAN on 1992-06-01. This is the last time CI-PERS sees SEBASTIAN. **(Doc 59109)**

On 1992-10-10 Offline checks reveal that VPD Sgt. Bob REID checks Elise JONES. According to REID's notes on Saturday, October 10, 1992 his entry is as follows; 1846 JONES, Elise, 52-01-11, 116 W. Hastings #36 (Golden Crown) Welfare, N.I. female, Jeans, Grey sweater, Wht Runners, Blk. Purse, Glasses, S/L Blk. Brn 5'4", 110lbs. Sgt. REID had no notes as to where or why the check took place. **(Task 12548, TA 105823, Doc 104997)**

On 1992-10-14 SEBASTIAN is admitted in the early morning at Lions Gate Hospital for a possible overdose and being drunk. SEBASTIAN is released later that day. This is the last confirmed sighting of SEBASTIAN. **(Task 10585, Doc 63085)**

On 1992-10-16 SEBASTIAN calls the welfare office and speaks to her worker, CI-PERS. She states she has no more food and requests emergency funds. CI-PERS agrees to issue a $50 food voucher. SEBASTIAN says she cannot make it to the welfare office before closing. Arrangements are made for SEBASTIAN to attend the IGA store the next day and receive the allowed $50 amount for groceries. This is the last confirmed contact with SEBASTIAN. **(Doc 62624, Task 10242, TA 69165)**

On 1992-10-16/17 SEBASTIAN calls CI-PERS at the Phoenix House. This is the last time he hears from SEBASTAIN. **(Doc 63659)**

On 1992-10-17 the food voucher is used at the IGA as per SEBASTIAN's arrangement with welfare. There is no way to confirm SEBASTIAN attended the IGA. **(Task 10242, TA 69165)**

On 1992-10-27 SEBASTIAN is required to attend the welfare office to have a file re-opened in her name, her and CI-PERS had been sharing a file up until then. SEBASTIAN needs to attend the welfare office or she will not receive funds. SEBASTIAN has never re-opened her file. **(Doc 62924)**

***Date Last Seen: Unconfirmed***

***June 1994***

On 2004-06-14 CI-PERS, SEBASTIAN's brother, is interviewed. CI-PERS indicates that it was he who reported Elsie SEBASTIAN missing to the Port Alberni RCMP. CI-PERS stated that he got a picture of Elsie from an unknown Port Alberni Police Officer and created a flyer with Elsie's information and photo on it. CI-PERS faxed the flyer to several Native Friendship Centres. This is believed to be **Doc ID: 44307-Page 43** wherein CI-PERS and Cst. CLAYARDS are listed as contacts. **(Task 8151, Doc 58123)**

Note: CI-PERS also advised that the Port Alberni Officer (btb Brock CLAYARDS) obtained the Photo of Elsie from the Police in Edmonton which is somewhat corroborated by CPIC Offline checks conducted Port Alberni Detachment on 94-01-10 then by Edmonton S/D GIS on 94-01-19. **(Task 8220, Doc 98313)**

Not long after faxing these posters, CI-PERS spoke to a male at the Native Police Office in Vancouver. CI-PERS could not recall the man's name but thinks that his wife also worked in the Native Policing Office. The unnamed man apparently grew up "on the streets" and knew everyone in the DTES. The man told CI-PERS that when he saw that fax coming out of the machine, he knew Elsie and where she went every morning. CI-PERS got excited and collected some family members possibly CI-PERS his mother and maybe JP) and went to Vancouver to look for Elsie. According to CI-PERS they found SEBASTIAN at a bar, and persuaded her to come home with them. She didn't want to go at first, but eventually accompanied them to Port Renfrew. Elsie stayed 2 or 3 days and then insisted on being taken to the bus station in Victoria. CI-PERS took Elsie to Victoria and dropped her off at the bus station. The last thing that CI-PERS recalled was that Elsie stated that she wanted to be left alone and didn't want anything to do with the family. **(Doc 58123)**

Note: The unknown male matches the description of CI-PERS, who worked at the Vancouver Police Native Liaison Society (VPNLS) in 1994. His wife, CI-PERS, also worked at the VPNLS. Documentation obtained from VPNLS **(Doc ID 44307-Page 37-38)** indicates that CI-PERS (mom), CI-PERS S, were in Vancouver from Port Renfrew looking for SEBASTIAN on June 13th, 1994.

Note: Neither CI-PERS **(Task 10282)** CI-PERS are able to corroborate CI-PERS Story.

Retired RCMP member Brock CLAYARDS could not remember when the missing person file for SEBASTIAN had been created but thought it was possibly 1993. CLAYARDS recalled that a family member had reported SEBASTIAN missing and receiving a photo from the family. CLAYARDS called VPD and was referred to someone whom he believed was a spokesperson for the DTES community. CLAYARDS

forwarded a photo of SEBASTIAN to this person. About two weeks after this, SEBASTIAN showed up. CLAYARDS was of the impression that SEBASTIAN did not want her family bothering her. CLAYARDS could not recall who the person was that he had spoken to in Vancouver, just that this person was not a member, and was some sort of DTES spokesman. **(Task 10287)**

CPIC offline reports later showed that CLAYARDS had queried SEBASTIAN's name in March and May of 1994, after being entered as MISSING out of Port Alberni in January of 1994. CPIC records also show that SEBASTIAN was located in Vancouver in June 1994. She was removed as MISSING on 1994-06-01. **(Task 12548)**

CI-PERS was interviewed based on his notes written on May 26th, 1994 **(Doc ID 44307-Page 37-38)**. CI-PERS had written Elsie's name at the top of the page along with her DOB. CI-PERS notes indicate that he received a fax from Cst. CLAYARDS in Port Alberni, and that he would contact CI-PERS to let him know the location of his sister. CI-PERS wrote the notes as though he knew that SEBASTIAN was alive and well. Notes written further down on the same page indicate that on June 13th, SEBASTIAN's family came looking for her. This is approximately two weeks after the fax was sent, which corresponds to what CI-PERS stated. **(Task 10336)**

CI-PERS also stated that he had spoken to SEBASTIAN about two weeks prior to receiving the fax from Pt. Alberni RCMP. SEBASTIAN had apparently come into the VPNLS office wanting to go home. CI-PERS made the call for her, and recalled that SEBASTIAN's sister didn't want to have anything to do with SEBASTIAN, saying as much and referring to SEBASTIAN's lifestyle (drugs, sex-trade, etc).

Conclusion: Combining the CPIC offline reports dated 1994 along with the corresponding statements and notes of Cst. CLAYARDS, CI-PERS there is some indication that Elsie SEBASTIAN was alive in June of 1994. There is however no corresponding Social Service Agency or recorded information/checks to corroborate this information leaving it open to speculation.

***July 1993 – June 1994***

When interviewed CI-PERS the mother of CI-PERS who was a boyfriend of Elsie SEBASTIAN's from 88/89 to 1991, advised she first met SEBASTIAN in Edmonton where her son CI-PERS and SEBASTIAN had been living together. CI-PERS met SEBASTIAN for the second time in 1991 or 1992 when CI-PERS brought SEBASTIAN down from Edmonton as they wanted to get cleaned up. CI-PERS took SEBASTIAN to a safe house in Abbottsford and then to a detox centre in Vancouver (downtown) where she was able to receive some treatment. CI-PERS lost contact with SEBASTIAN after she went to into detox but, received a call from her sometime between July 1993 and June 1994. CI-PERS believes SEBASTIAN called from a pay phone in Vancouver and asked if she would come to Vancouver and pick her up. CI-PERS was unable to as she didn't have any insurance on her car at the time and had also recently suffered a heart attack. CI-PERS told SEBASTIAN to locate an agency to give her a bus ticket and come out and stay with her. This was the last conversation CI-PERS had with Elsie. CI-PERS can only recall that the last call occurred sometime between the time of her daughter's death in July 1993 and her moving in June of 1994. CI-PERS was unable to narrow the dates down any further. **(Task 12513, Doc 105407)**

**PERSONS OF INTEREST:**

CI-PERS – One of the last individuals that SEBASTIAN was associated to was CI-PERS. They were living common law at #206 1855 E. Georgia in Vancouver B.C . On 1992-06-01 CI-PERS was arrested by VPD for assault With a Weapon where SEBASTIAN was the victim. According to the VPD report, CI-PERS grabbed SEBASTIAN by the throat during an argument and placed a knife to it superficially cutting her throat. SEBASTIAN phoned police and CI-PERS was arrested. As a part of CI-PERS release conditions he was to have no contact with SEBASTIAN directly or indirectly. In SEBASTIAN's statement she indicated that she and CI-PERS had been together for 8 months and he had assaulted her in the past. She stated that she had received stitches to her lip in relation to a prior incident, but no charges were pursued. **(Doc 59109)**

On 1992-10-07, CI-PERS is arrested for Breach of Bail conditions. Witness states they observe CI-PERS throw SEBASTIAN to the ground causing her to fall and hit her head. SEBASTIAN was uncooperative and denied she was assaulted. When this incident occurs they are now living together at the Golden Crown Hotel located on E. Hastings in Vancouver**. (Doc 59109)**

On 1992-10-16, CI-PERS is transported from Fraser Regional to attend court in Vancouver. CI-PERS is told he will attend court ordered alcohol and drug rehab until 1993-03-25 at the Phoenix Recovery House in Surrey.

According to CI-PERS statement, on 1997-10-16 or 17 CI-PERS phones the Golden Crown Hotel and leaves a message for SEBASTIAN to call him at the Phoenix House. CI-PERS cannot recall which day for sure he called the Hotel. Within this time SEBASTIAN called CI-PERS back. SEBASTIAN was intoxicated so CI-PERS told her that he was not allowed to speak with people who are intoxicated, according to the house rules, he told her to call back when she was sober. CI-PERS hangs up the phone, SEBASTIAN calls right back, CI-PERS passes the phone to another resident and he explains the rules to her. This is the final time that CI-PERS has any contact with SEBASTIAN. **(Doc 63659, Task 1326, TA 70168)**

Between 1992-10-19/27 CI-PERS attended the residence he shared with SEBASTIAN to pick up his personal belongings. CI-PERS said he was driven from Surrey by two other residents. He stated that he went to the room alone. SEBASTIAN was not there, but her clothes were still there and the bed was made. CI-PERS took his things and all three of them returned to Surrey. **(Doc 63659)**

On 1992-10-27 CI-PERS welfare file shows he has moved from the Golden Crown Hotel to the Phoenix House. CI-PERS and SEBASTIAN had shared a welfare file until that time when it was disbanded. CI-PERS and SEBASTIAN at that point are independent recipients of welfare. **(Doc 62924)**

On 2005-04-02 Sgt. DHILLON completed a polygraph test on CI-PERS. Sgt. DHILLON concluded that CI-PERS is not responsible for SEBASTIAN's murder/disappearance. **(Doc 73036)**

CI-PERS - According to CI-PERS **(Doc 77789)** he lived with SEBASTIAN for approximately one year in the early 1990's, in fact their relationship was in and around 1987. They met and lived together while in Victoria. They together with her children, CI-PERS and

CI-PERS, moved to Edmonton. They lost their children for a 2 week period due to drinking. They went to court and had to take a 2 week counseling program. CI-PERS SEBASTIAN and the children moved to Edmonton, they stayed for a time and then went to Calgary. They stayed in Calgary only a short period and then drove through Montana to Seattle. After staying a short time in Seattle they moved to Vancouver. CI-PERS and SEBASTIAN's relationship ended when he was arrested and charged with Aggravated Assault against SEBASTIAN. According to the VPD file, # 87-57593, **(Doc 63528)**, on 1987-05-29 CI-PERS punched SEBASTIAN to the ground with his fists and while she was on the ground he kicked her in the face, head, and body causing numerous injuries to her face and body. In SEBASTIAN's statement she indicates she is afraid for her safety and the safety of her children. SEBASTIAN and CI-PERS relationship was over after this incident and he said he only saw her once or twice after that on the street.

CI-PERS described how SEBASTIAN was a heavy drinker but never saw her use drugs. He also added that SEBASTIAN was not working in the sex trade while with him.

During two separate statements CI-PERS was asked if he killed SEBASTIAN and in both cases he strongly denied having killed her. **(Doc 80193, Doc 77789)**

**Possible Links to PICKTON:**

On 2002-03-28 CI-PERS was interviewed by Cst. ROY and Sgt. Dan ROY of the MWTF. CI-PERS lived at 2552 Burns Road and new the PICTON family. He attended the PICKTON's Dominion Ave property 3 or 4 times to see his roommate CI-PERS who worked as a mechanic for Dave PICKTON on the property. CI-PERS speaks of a time in late spring or early summer of 2001 when he spoke to two native women who were in a green car driven by a Caucasian male, they were looking for Willie PICKTON. CI-PERS was shown a series of photos of the missing women. He indicated that possibly number 18, SEBASTAIN, was one of the Native women that had been in the car. **(Task 1597, TA 9578, Doc 6004)** This is highly unlikely considering SEBASTAIN's date last seen is Oct. 14, 1992.

**FORENSIC EVIDENCE:**

On 2002-01-23 a familial DNA blood sample is taken from CI-PERS (daughter) by Cst. Daryl HEATHERINGTON and Cst. Paul Verral of the MWTF. It should be noted that there is no task, task action or police notes that reflects this; there is only a note on the exhibit indicating the date, time and their names. On 2002-01-31Familial DNA blood samples were taken from, CI-PERS (Ex husband, father of children), CI-PERS (son) and CI-PERS (Daughter). The 4 profiles were developed under one Exhibit number 2913-412. The results are detailed in Biology Report, - 2002-02-25: FLV 2002-1190 authored by Kathy HORLEY. Conclusion of report states that DNA typing profiles were obtained from all 4 profiles. **(Task 1410, Doc 44890)**

On 2004-06-10 A letter that is authored by SEBASTIAN, as well as the envelope (with stamp) it was sent in, are seized by Cst. LUI of the MWTF. The envelope with stamp is examined under Exhibit number 2171-10241, but the actual exhibit # is 1388-2171. The results are detailed in Biology Report, - 2004-11-08: FLV 2002-1190 authored by Kathy HORLEY. Conclusion regarding this exhibit states; the DNA typing

profile obtained from Exhibit 2171-10241 (1388-2171) is consistent with having originated from a female individual. This profile is taken to be that of Elsie SEBASTIAN and will be kept on file for comparison purposes. The 4 familial DNA samples are now processed in relation to that sample. The conclusion for CI-PERS is that there is very strong evidence of maternity in regard to Elsie SEBASTIAN. For CI-PERS it's concluded that Elsie SEBASTIAN is not excluded as the biological mother. **(Task 10241, Doc 64342)**

On 2006-10-03 new familial DNA samples were taken by Cst. LESLIE of the MWTF from; CI-PERS CI-PERS and CI-PERS due to some issues surrounding continuity of the original exhibits. These exhibits have not at this time been forwarded to the Forensic Lab. **(Task 1410, TA 1443/99682/99683)**

**NOTE** - Although SEBASTIAN did have a number of PAP tests, all slides had been destroyed. **(Task 1482, Doc 59594, Doc 57200)**

**CONCLUSION:**

The Missing Women Task Force conducted an exhaustive investigation into the disappearance of Elise SEBASTIAN. All agencies that had dealings with SEBASTIAN were checked and known associates and family members were interviewed. All leads related to SEBASTAIN were followed up. There is nothing that originated on this file that led to a reason for her to want to disappear, the discovery of her remains, or to a subject that may have been responsible for her disappearance.

CI-PERS has stated the following : In late 1988 to about summer of 1989 he described himself as the boy friend of Ingrid Soet. They did not live together. She stayed mainly at her parents res in Bby or on occasion at the Astoria Hotel on East Hastings. CI-PERS first met her in Dec of 1988 at the North Burnaby Inn. He saw her there a few times before they began to keep company with each other. She told him that she was working the streets. He understood her stroll was on Hastings St, and reached from the Nor Bby Inn west to Main St. in Van. He recalls that she was very much addicted to smoking crack cocaine at the time. She was often reckless when conducting her business on the street. She was not very discriminating when it came to customers and would virtually go with anyone. He never saw any physical evidence of a bad trick although she had mentioned bad dates on occasion.

At some point during the summer of 1989 she dumped CI-PERS and went to live with someone CI-PERS only knew as "CI-PERS" in Coquitlam. He believes that only lasted a few months then she went back to live with her parents. He never saw her after that.

CI-PERS is negative CPIC CNI/CR. He is employed by PID as a storm door installer and has been since 1987. When things are slow he does small construction jobs whenever and where ever he can. He drives an older model Ford Ranger, blue with blue canopy for his business. Back when he knew Ingrid he says he was driving a lt blue 1974 Ford Galaxy. CI-PERS says is currently in a relationship with

She is the sister of Ingrid Soet. She had called VPD Missing Persons on 02-01-22 seeking information on the status of her sisters file. Referred to me by CI-PERS

CI-PERS was given a brief overview of the file to date. She wanted to know if a boyfriend was mentioned in the file and if he had ever been spoken to. The file does have the name of a boyfriend, CI-PERS ( spelling?) But no indication how we come by that name. There is also no indication in the file that an investigator has ever interviewed him. Naturally CI-PERS wanted to know why. Couldn't really answer that. Assured her that would attempt to find boyfriend if he exists.

CI-PERS No entries on CPIC or PIRS. There are no D/Ls issued to anyone in BC with that name. It is possibly a misspelling. Tried CI-PERS but with the scant info provided could not find any matches.

In a second telephone conversation with CI-PERS she revealed that she suspects her father in the disappearance of her sister Ingrid. Her father, Aloisious( Lou ) Deodardus SOET ( DOB-Feb 23,24 or 25. Unk year) is according to her a sexual deviate. She has no proof of anything, but , has discussed this with her sister CI-PERS ( PID ) and both agree he has had incestious relations with family members. Their missing sister told Sylvia shortly before she disappeared that her father had raped her. The sisters have also heard stories that their father has had sex with the paper boy and perhaps one of their brother's friends.

The father has told CI-PERS that he had sexual relations with a mentally handicapped youth named CI-PERS This ocurred in 1993,

Subject / Objet **Re: Possible Homicide , Twin Falls , Idaho, USA 1989**

The Idaho State Police Homicide Unit in Twin Falls have received information in regards to a homicide which occurred in Twin Falls Idaho sometime in 1989.

The information includes a composite drawing of the victim, attached. The victim is described as white female, Canadian, Medium build, 5'6" tall ,brown hair ,in her twenties. Apparently the victim had been in Utah visiting her child and was hitch hiking back to Canada. She was apparently picked up in a stolen car, murdered and dumped in a Canyon near twin Falls Idaho. Her body has not been found and authorities believe due to a landslide in the area four years ago the likelihood of locating her body is minimal.

An off line CPIC search has revealed a number of missing women which may be the likely victim in Idaho. I request you check your file photographs for your missing person Ingrid SOET (B:59JUL13) last seen 28th of August 1989. Please compare your photographs with the attached composite drawing of the alleged murder victim and also determine if the above noted circumstances of your missing person ; visiting a child in the U.S.A. and hitch hiking is possible.

Please advise me if the Idaho missing person could be associated to your missing person file, and I will have you contact the authorities in Idaho direct. if your inquiry is negative please advise via ROSS or telephone.

If you have any questions or comments please contact me @ (403) 735-2554

Thank you for your assistance.

The reason for this was because they had discovered a body in Vancouver and they wanted to determine if it was the right person or not. CI-PERS was very upset about this. Due to the nature of the file a check was made with VCP they do not have any Jane Doe's right now. Subject / Objet: **RE: Olivia Gale WILLIAM (aka JOSEPH) (DOB 75-01-19) - Missing Person**

On 97-03-27, Smithers RCMP received a report of a missing person from CI-PERS of Social Services in Tachet, B.C.. Tachet is a reserve near another reserve called Ft. Babine, which is within Smithers RCMP area. Olivia is from Ft. Babine and is believed to have become involved in prostitution in Vancouver, Hastings area. Olivia's sister, CI-PERS, last heard from Olivia around PID after Olivia gave birth to a baby. The baby is now in the hands of Social Services. Olivia was added to CPIC as missing from our point.

Smithers RCMP was recently advised that Olivia was having her mail delivered to 'Sheway' in Vancouver. Olivia has not picked up her mail in approximately 3 months, which include government cheques. This seems to be very out of the ordinary considering her life-style and her need for money.

Please attempt to locate Olivia and notify Smithers RCMP of any progress. CI-PERS of Vancouver Social Services is aware of the situation and can be contacted at (604)775-1550. CI-PERS can be contacted at (250)697-2224. A photograph of Olivia is enclosed.

Thank you in advance for your assistance.

HERBERT WILLIAMS, OLIVIA'S UNCLE CALLED TODAY FOR AN UPDATE. TOLD HER WE HAD THE DNA ON FILE.

HE MENTIONED THAT A WOMAN NAMED CI-PERS HAD TOLD HIM THAT OLIVIA WAS RECEIVING WELFARE CHEQUES TO AN ADDRESS IN CHILLIWACK...HE HAD NO DETAILS AND DIDN'T KNOW HOW CREDIBLE IT WAS. I HAD A HARD TIME UNDERSTANDING THE CONNECTION OF CI-PERS TO OLIVIA AND THE FAMILY, ETC. THERE WAS ALSO A WOMAN NAMED CI-PERS WHO HAS A DAUGHTER LAST NAME CI-PERS, BUT AGAIN I DIDN'T UNDERSTAND EXACTLY WHAT HE WAS TRYING TO TELL ME. I ASSURED HIM I WOULD CHECK WELFARE AND SEE IF THIS WAS HAPPENING.

CI-PERS LEFT ME HIS NUMBERS - PLEASE ADD THEM TO THE FILE IF WE DON'T HAVE THEM

## Howlett, Al

**Subject:** olivia W

Al,

Spoke to a CI-PERS ex-addict, fairly on the ball guy. He had some info on Sarah and on Olivia Williams.

Said he knew Olivia because she used to hang around the apt at Vernon/Hastings (1190??). He said this was 3-4 years ago, his memory wasn't great for dates. Said it was owned by an old white guy "dave" who had a son who was a fat guy ,enforcer type, real asshole and he had a son ""young Dave". All three sold drugs out of the place, esp the middle guy.

One day, they were all hanging around the office and there was some trouble in the hallway. Olivia was in the office at the time, the others (not sure who all) went to the hallway to see the ruckus, Olivia stole $1100-$1200 from the drawer where they kept the money, then was never seen there again. CI-PERS asked them (word got around it was her who took it) where she was, the middle son said she was at the Astoria and "we'll get her, she's gone" and "we're just waiting". CI-PERS asked why they had to hurt her for so little money, he said "Gotta do it".

He believes they whacked her and said this was not uncommon there and girls were getting beaten all the time for drug debts.

I haven't had a chance to check any of it out or if they still own the place.

**RE: Olivia Gale WILLIAM (B: 75-01-19) - Missing person**
**Vancouver PD file 97-163182**
**Smithers RCMP file 97-976**

Olivia's brother, CI-PERS turned over a purse to Smithers RCMP on 99-02-02. He found the purse in his house sitting on a shelf. A letter from Canada Post was inside and stated that it had been found in the mail and was being returned free of charge. It was likely dropped into a mail box somewhere and Canada Post found an address inside. A Canada Post stamp on the letter is dated July 31, 1996 (possibly 1998).

Cst Cooke examined the purse and located some business cards and notes. Some other items had dates on them but none were dated after the date she was last seen. Most of the dates were June of 1996. It appears she lost the purse before she went missing. A photocopy of the business cards follow in the event they produce any leads.

The purse will be returned to the family shortly, unless you have any objections. Contact Cst Cooke of Smithers RCMP if you have any questions.

Thank you,

**REPORTED:** **1997-07-04**
**LAST SEEN:** **1996-12-06**

Williams was originally reported missing on 97-03-27 by her MSSH worker. The file originated with the RCMP in Smithers, BC. The worker reported that the victim had not been heard from for several weeks and that she had normally contacted family members on a regular basis. It was determined that Williams had resided in the downtown eastside of Vancouver and a Missing Persons Report was completed and an investigation commenced on 97-07-04. Williams had given birth to a child at Vancouver Hospital on November 16, 1996. She apparently left the hospital and has not been heard from since that date. The child was placed in foster care. Williams had contacted her sister, CI-PERS once every three weeks and had inquired about other children in her sister's care. The family has not heard from Williams since December 1996. Williams was on Welfare and had failed to pick up her cheques. The file has remained inactive. The victim was a Heroin user and was a known sex trade worker. The victim has a history on RMS from 1992 to her last contact with the VPD on 96-10-14. Queries through outside agencies have failed to locate the victim.

- Native female, DOB 1975-01-19
- 163 cm (5'4") 55kg (123 lbs)
- Black hair, brown eyes
- Frequented the downtown eastside
- Drug abuser / heroin

Re: Olivia Gale Williams -DOB: 75-01-19
Missing Person
Reported to Smithers, BC 97-03-27

This office received a phone call this date from Chief CI-PERS at PID BC phone: PID She appeared to be concerned about the investigation and rumours that bodies are being found on Vancouver Island which might be Williams.

This office had received a similar complaint on 97-05-26 and at that time fax'd info off to your point as the complainant lived there. We received a call advising that you did in fact have a file and that Vancouver City was the location where to info of a body had surfaced.

On examining our file closer we feel that maybe this missing person file should have gone to Vancouver City in the first instance as the only connection we have is that the Social worker who made the complaint lives in this area.

Could you fax us a copy of your file so that we can determine out next step. The prime investigator is Cst Cooke and the writer of this memo is Sgt. Edwards.

Thanks

Re: CI-PERS [redacted] Assist to General Public

The above file subject called this office collect from PID [redacted] phone: PID [redacted] wanting info on the death of his daughter. He says that he heard that Vancouver City was trying to pass on info. Daughter's name is Olivia WILLIAMS. The reason that he called this office is because he had heard that Vancouver was trying to call a CI-PERS [redacted] of PID [redacted] He had a phone number of PID [redacted] which he believes is a Detective of Vancouver City. I tried to call the number and there was no answer. It would appear that maybe CI-PERS [redacted] should have called your office for assistance.

I am sending this fax so that you could follow up with him on his concern.

Due to the nature of the file a check was made with VCP they do not have any Jane Doe's right now. Subject / Objet: **RE: Olivia Gale WILLIAM (aka JOSEPH) (DOB 75-01-19) - Missing Person**

On 97-03-27, Smithers RCMP received a report of a missing person from CI-PERS of Social Services in Tachet, B.C.. Tachet is a reserve near another reserve called Ft. Babine, which is within Smithers RCMP area. Olivia is from Ft. Babine and is believed to have become involved in prostitution in Vancouver, Hastings area. Olivia's sister, CI-PERS, last heard from Olivia around PID after Olivia gave birth to a baby. The baby is now in the hands of Social Services. Olivia was added to CPIC as missing from our point.

Smithers RCMP was recently advised that Olivia was having her mail delivered to 'Sheway' in Vancouver. Olivia has not picked up her mail in approximately 3 months, which include government cheques. This seems to be very out of the ordinary considering her life-style and her need for money.

Please attempt to locate Olivia and notify Smithers RCMP of any progress. CI-PERS of Vancouver Social Services is aware of the situation and can be contacted at (604)775-1550. CI-PERS can be contacted at (250)697-2224. A photograph of Olivia is enclosed.

Thank you in advance for your assistance,
