RE: Persons Working Group Meeting
Vancouver Police Dept 312 Main Street, 4th Floor boardroom 98-09-22@1300 hours

This correspondence is to advise that we have a multi jurisdictional task force in effect, which is being coordinated out of this office. The task force is comprised of four RCMP members and includes participation from various sections and representatives of the Vancouver Forensic Laboratory. We have identified six separate victims where the files involve missing persons, sexual assault and or murder. We are actively perusing this investigation which includes one of your outstanding missing person files Dorothy Spence Vancouver Police OIS File 96-5506.

I have been advised by Supt. Gary BASS, the OIC for the "E" Division Major Crime Section that you are hosting this meeting and I would appreciate the opportunity to attend and participate. If it is satisfactory with you, I would like to have Cst. Murray POWER of the Mission RCMP GIS Section accompany me as he is familiar with many of the East Side Sex Trade Workers and as well has an excellent working knowledge of several of the murder victims from your area.

Unless I am otherwise advised Murray and I will be attending. Thanks for your attention to this request.
