From: Staff Sergeant #100 B. Giles,
I/c Homicide/Robbery Squad
Subject: ASSISTANCE FROM CST's FELL AND WOLTERS

On Wednesday the 30th of June A/Insp. D Dureau and myself met with Cst Fell and Cst. Wolthers regarding some information they had that may assist with the Missing Persons Investigation.

It was very evident that these two members were very enthused to become part of the investigative work group if at all possible.

Their information was good and has to be followed-up. It was explained that if we were fortunate enough to acquire their assistance that the tenure in this work group would be long term of which they voiced "no problem". It was also explained that they would be used for a number of investigative functions not strictly dealing with their own issues or information and again this appeared to be no problem.

If you would like to discuss this further let's get together in any case I'm requesting both these members be loaned or seconded to the Missing Persons Investigative Group sooner than later.
